REQUEST FOR QUALIFICATIONS
YOUTH DEVELOPMENT and TRAINING SERVICES
for Youth and Youth Adults (Ages 16-21)

INTRODUCTION:

The Workforce Board of Central Florida, d/b/a CareerSource Central Florida is requesting qualifications from entities having the background and expertise in providing youth development and training services for *Workforce Investment Act eligible youth* and young adults, ages 16-21 that have barriers to entering the workforce or completing an educational program. Youth who will participate in services are currently enrolled in CareerSource Central Florida's youth programs operated by contractors or newly enrolled youth identified by CareerSource Central Florida program staff. CareerSource Central Florida seeks to invest up to \$500,000 in additional vendor/service contracts to support enrolled youth.

BACKGROUND:

Central Florida Regional Workforce Development Board, Inc., d/b/a **CareerSource Central Florida** is a Florida not-for-profit corporation that serves as one of 24 regional workforce boards in the State of Florida. CareerSource Central Florida serves Lake, Orange, Osceola, Seminole and Sumter counties. These five counties, which comprise a local workforce investment area under Florida's Workforce Innovation Act of 2000, entered into an Inter-local Agreement, effective February 18, 2003, under which CareerSource Central Florida was designated as "the administrative entity and fiscal agent for all programs promulgated" under the Workforce Investment Act of 1998 and Florida's Workforce Innovation Act of 2000. CareerSource Central Florida is also organized as a charitable **tax-exempt** entity under section 501(c)(3) of the Internal Revenue Code of 1986, as amended.

CareerSource Central Florida is not a state agency and is exempt from chapters 120 and 287, Florida Statutes, however, it must follow the procurement and expenditure procedures required by federal law for the expenditure of federal-grant funds, including those set forth in 29 C.F.R. §§ 95.40-48.

REQUESTED SERVICES

The organization is soliciting creative and innovative services to augment its current services to youth and young adults. The intent of this Request for Qualifications is for CareerSource Central Florida to secure vendor agreements that leverage strategic partnerships with local employers, associations, educational institutions, faith-based organizations, or community/civic organizations that have expertise and experience in providing youth development and training services in one or more of the following:

- Exploration of emerging / growth industries and career options;
- Life skills training;

- Dining etiquette;
- Instruction on professional dress, may include supplying participants with work appropriate clothing;
- Workplace communication and interpersonal skills;
- College visits with an overnight campus experience that may include college survival skills and study skills training;
- Short-term youth development activities that promote positive behaviors (including pregnancy prevention, anti-gang involvement, living healthy/drug free);
- Specialized occupational skills training in emerging / growth industries with credential opportunities (i.e. forklift training, culinary arts, cable installation, maintenance, landscaping, construction);
- Specialized programs for young parents;
- Leadership development opportunities;
- Financial literacy;
- Basic literacy and numeracy instruction; and
- Entrepreneurial skills training for young adults

CareerSource Central Florida is interested in vendor agreements that provide career exploration and training for young adults in the following industries: Hospitality/Culinary, Healthcare/Medical, Advanced Manufacturing, Construction, and Logistics/Warehousing. However, services that focus on other industries are welcomed if the training meets the needs of youth in a particular area. **Priority will be given to respondents who offer services for older youth, ages 19-21.**

Services would be offered to both WIA eligible young adults who are currently enrolled in the WIA youth program and newly enrolled young adults , with a preference in serving foster youth, or young adults who live in Lake and Sumter County or in the Parramore community in Orange County. CareerSource Central Florida Youth Program Staff will work with selected vendors to facilitate youth participation. Desired services will be short term and based on a fixed price per individual, and may be delivered in a day or as long as five months, but must be completed by June 30, 2015.

A limited number of vendors will be awarded, thus partnerships, leveraging and systemic approaches must be key components of a proposal. Proposers are not required to submit a proposal for each targeted population or suggested program element. Requests will be considered for a single or a combination of targeted populations and one or more of the bulleted elements. **Responses from existing youth contractors with CareerSource Central Florida *will not* be accepted.**

CONTRACT and PERFORMANCE TERMS

All agreements entered into as a result of this process will be in the form of a fixed price contract. CareerSource Central Florida contemplates establishing vendor agreements with those entities that best address the needs of CareerSource Central Florida and its existing participants.

CareerSource Central Florida anticipates entering into an initial five-month, renewable agreement for services (with a right of termination for convenience in favor of

CareerSource Central Florida). CareerSource Central Florida shall have the option, in its sole and absolute discretion, to renew the contract for two additional one year terms. The offer of an option renewal period is not guaranteed, and the award of the initial contract does not imply an exercise of the option renewal. Acceptable proposals shall, at a minimum, meet the specifications contained in this RFQ. CareerSource Central Florida reserves the right to negotiate the terms outlined in the response. It is expected that services will begin no later than February 2015 and continue through June 30, 2015.
