PAID INTERNSHIPS AVAILABLE FOR PROFESSIONAL AND SKILLED WORKERS

Orlando, FL – Workforce Central Florida is accepting applications to help professional and skilled workers with backgrounds in Science, Technology, Engineering and Mathematics (STEM) reenter the workforce as part of an advanced Work Experience Internship Program.

WCF, working in conjunction with the University of Central Florida, is providing individuals with professional experience or related degrees the opportunity to earn an internship with a local company making up to \$21 an hour during the 12-week internships.

Individuals are encouraged to apply who have a college degree, industry certification or professional experience in:

- Information Technologies and Computer Sciences
- Manufacturing
- Engineering
- Operational Management

The work opportunities allow job seekers to demonstrate their work ethic, gain new skills and acquire the hands-on experience that can lead to career opportunities. The program is a great entry back to the workforce for unemployed professionals who want to showcase their talents.

The program is open to qualified residents of Orange, Osceola, Seminole, Lake, or Sumter counties who are currently unemployed. There are 200 internship slots in the program, which is funded through a \$1.3 million grant from the U.S. Department of Labor's Employment and Training Administration.

Space is limited. For more information or to apply online go to:
www.WorkforceCentralFlorida.com/AdvancedInternships

This workforce solution was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. The solution was created by the grantee and does not necessarily reflect the official position of the U. S. Department of Labor. The Department of

Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership.
