## **CAREERSOURCE CENTRAL FLORIDA DEDICATES MOBILE UNIT SERVICES TO FIRST WEEK OF EACH MONTH IN SUMTER COUNTY**

**Orlando, FL** – CareerSource Central Florida’s Mobile Unit is expanding its service to Sumter County, starting Monday, July 6. The Mobile Unit will now spend the first full week of each month providing services to the residents of Sumter and outlying areas Monday through Friday from 9:00 a.m. to 4:00 p.m. (excluding holidays) at the Villages Sumter County Service Center, located at 7375 Powell Road, Wildwood, FL 34785.

Sumter County Administrator Bradley Arnold will join CareerSource Central Florida President/CEO Pamela Nabors, elected officials, staff and residents to welcome the Mobile Unit and staff to celebrate the official launch of the new service on Tuesday, July 7 at 9:30 a.m. at the above address.

“Sumter County is excited to have CareerSource Central Florida as an active member of our economic development initiatives,” said Sumter County Administrator Bradley Arnold. “Their support to recruit, screen, and train talent for our local businesses is an essential function to grow our local economy.”

The dedicated service comes as part of the agency’s efforts to expand services to those areas in the Central Florida region (Lake, Orange, Osceola, Seminole and Sumter Counties) where access is limited. Services provided by the Mobile Unit mirror those at the six (6) permanent Career Centers, and include job searches, recruitments, assessments, Develop You workshops, and Career Consultants who will address legislative changes, youth programs, and re-employment assistance.

“We’re excited to now have an extended, dedicated presence in Sumter County,” said Mimi Coenen, CareerSource Central Florida Operating Officer. “There is so much opportunity here for career seekers and businesses, and we look forward to playing a role in helping develop the talent those businesses need to grow and succeed.”
