

# BECOME A SUMMER YOUTH PROGRAM SPONSOR

**Every student deserves the opportunity to pursue their dreams and achieve their greatest potential.**

To impact more students in the summer of 2022, CareerSource Central Florida (CSCF) has developed new ways to support our Summer Youth Program! The first is through our NEW CSCF Summer Youth Scholarship! Simply put, this is a scholarship designed to provide funds for participants who would otherwise not be able to take part in the Summer Youth Program. Our philosophy of earning while you are learning combined with your generous contribution to this scholarship fund allows CSCF to find the most driven and experience-seeking youth in our 5-county community – all without traditional restrictions and red tape!

CSCF's Summer Youth program attracts some of the brightest and motivated kids in our 5-county region. Each participant joins the Summer Youth Program with a different background, different ambitions, and different career goals, however, they are all united by the desire to participate, learn, and grow. This year we are starting a CSCF Mini-Grant fund to award (by committee) individuals who require alternative funding for educational materials, computers, backpacks, shoes, shorts, anything necessary to assist them with their educational or career journey.

## Honor Roll

Want to help make a difference but did not plan on such a worthy cause? Participate as a valued Honor Roll Sponsor - you will receive the recognition you deserve along with branded recognition on our website, in social media, and on our participants t-shirts.

## Dean's List

Need more of an impact? We can help! At the Dean's List Sponsorship level, you will receive all the offerings of the Honor Roll Sponsorship along with the additional value of being able to directly reach our participants through a branded video of one of your business leaders sharing a Career Advice Moment (1) – talk about impact!

## President's List

Move to the head of the sponsorship class! The President's List includes everything from the Honor Roll and Dean's List Sponsorship packages with the added value of additional reach – dedicated social media posts including a unique co-branded post, a clickable company logo on our site and in email marketing to our participants and business partners, a dedicated email with your company message, a feature in our the CSCF Annual report, a press announcement, and two video Career Advice Moments (2) for your business leaders to reach our participants and shared via social media, and BONUS, branding on our program t-shirts!
