Ms. Pamela Nabors
President & Chief Executive Officer
CareerSource Central Florida
390 N. Orange Ave., Ste. 700
Orlando, Florida 32801

Dear Pam:

This letter is to confirm our understanding of the terms of our engagement and nature and limitations of the services we are to provide for CareerSource Central Florida (CareerSource).

We will apply the agreed-upon procedures in the attached scope of work that were specified and agreed to by CareerSource, to the fiscal and programmatic records for the program year ending June 30, 2021. Our engagement to apply agreed-upon procedures will be conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures performed or to be performed is solely the responsibility of CareerSource and we will require an acknowledgement in writing of that responsibility. Consequently, we make no representation regarding the sufficiency of the procedures described in the attached scope of work either for the purpose for which the agreed-upon procedures report has been requested or for any other purpose.

Because the agreed-upon procedures in the attached scope of work do not constitute an examination or review, we will not express an opinion or conclusion on the programmatic and fiscal monitoring. In addition, we have no obligation to perform any procedures beyond those listed in the attached scope of work.

We will issue a written report upon completion of our engagement that lists the procedures performed and our findings. Our report will be addressed to CareerSource. If, for any reason, we are unable to complete any of the procedures, we will describe in our report any restrictions on the performance of the procedures, or not issue a report and withdraw from this engagement. You understand that the report is intended solely for the information and use of CareerSource, and should not be used by anyone other than the specified parties. Our report will contain a paragraph indicating that had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

An agreed-upon procedures engagement is not designed to detect instances of fraud or noncompliance with laws or regulations; however, we will communicate to you any known and suspected fraud and noncompliance with laws or regulations affecting the programmatic and fiscal records that come to our attention. In addition, if, in connection with this engagement, matters come to our attention that contradict the programmatic and fiscal records, we will disclose those matters in our report.

You are responsible for the presentation of the fiscal and programmatic records of CareerSource in accordance with Local, State and Federal requirements, and for selecting the criteria and procedures and determining that such criteria and procedures are appropriate for your purposes. You are responsible for,

and agree to provide us with, a written assertion about the programmatic and fiscal monitoring. In addition, you are responsible for providing us with (1) access to all information of which you are aware that is relevant to the performance of the agreed-upon procedures on the subject matter, (2) additional information that we may request for the purpose of performing the agreed-upon procedures, and (3) unrestricted access to persons within the entity from whom we determine it necessary to obtain evidence relating to performing those procedures.

At the conclusion of our engagement, we will require certain written representations in the form of a representation letter from management that, among other things, will confirm management's responsibility for the presentation of the fiscal and programmatic records of CareerSource, in accordance with the Local, State and Federal requirements.

Terry Miller is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it.

Mutually agreed-upon dates for performing the procedures for the contract period will be coordinated with designated CareerSource staff. Our proposed preliminary fieldwork timeline for the onsite visits is as follows:

Our fees for these services will be based on the actual time spent at our hourly billing rates. Out-of-pocket costs are included in our rate structure. We estimate that our fees to perform the attached scope of work for the period ending June 30, 2021, *will not exceed* \$160,000 as follows:

If we encounter factors that will require additional time, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. If we should incur lesser fees on the engagement than our preliminary estimate, we will bill the lesser amount. Additionally, any special projects requested by CareerSource beyond the scope of this agreement will be billed at the rates set forth herein.

Additionally, for any nonattest services requested by CareerSource, such as training and technical assistance, you are responsible for assuming all management responsibilities and for overseeing the nonattest services we provide by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience. In addition, you are responsible for evaluating the adequacy and results of the services performed and accepting responsibility for the results of such services. Nonattest services will be billed at the rates set forth herein.

Invoices for fees will be billed to you as our work progresses. A final invoice will be submitted upon completion of the engagement. Invoices are due and payable within 20 days of the invoice date.

We appreciate the opportunity to assist you and believe this letter accurately summarizes the significant terms of our engagement. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us. If the need for additional procedures arises, or the procedures need to be modified, our agreement with you will need to be revised. If additional specified parties of the report are added, we will require that they acknowledge in writing their agreement with the procedures performed or to be performed and their responsibility for the sufficiency of procedures.

Sincerely,
