# ABOUT CSCF AND TICKET TO WORK

CareerSource Central Florida (CSCF) curates local talent for high-demand industries, meeting local business needs and cultivating growth and prosperity for the Central Florida community.

CSCF also partners with local businesses and academic organizations to offer career consultation, training, and job placement services for students and professionals of all ages and experience levels.

As an approved employment network with the Social Security Administration, CSCF is a proud partner of Ticket to Work, a program designed to help career seekers with disabilities explore their interests, pursue their passion, and increase their income.

CSCF equips Ticket to Work participants with the resources to take charge of their vocation, finding a career that meets their individual needs and contributing their talents to the Central Florida community.

A woman with glasses, wearing a black long-sleeved shirt and a tan apron, is seated in a wheelchair at a cafe counter. She is operating a cash register. A customer's hand is visible on the left, holding a card. In the background, another staff member in a tan apron stands behind the counter. The cafe has a rustic feel with wooden beams and shelves stocked with coffee bags. A first aid kit is mounted on the wall.

Through the  
Ticket to Work program,  
CSCF empowers people to  
**thrive**,  
not just survive.
