

# Public Search Results

In the search results grid, organization names are linked to coordinator contact information. The [?] links display the relevant contact information. The coordinator is the person who is responsible for adding/removing individuals from the filer list.

When a form is logged, the status will contain the date received and the message "Form Available Soon". When the Form becomes available online, the Filing Requirement Fulfilled status will have a link to "View Form" for electronic forms and (not available online) for any paper forms.

Section 112.31445, Florida Statutes, requires that all forms filed in the Electronic Financial Disclosure Management System (EFDMS) be posted online. Before being posted online, any information required by law to be maintained as confidential must be redacted. This process is not automated and may take up to five business days.
