

A Warm Welcome to Our New Board Member

We may be *slightly* biased that we have the best and hardest-working Board of Directors ever, but that didn't stop us from welcoming even more top talent with a new member to our Board. **Brooke Morris, Vice President and Retail Regional Manager, CenterState Bank** is representing one of our business seats for Sumter County. Brooke is a welcome addition to our Board who continue to champion the mission, vision and values of our organization as we keep our eyes fixed on our North Star. Welcome Brooke!

Even Greater Impact

CareerSourceCentral Florida was awarded \$7 Million in CARES Act resources to serve Orange County residents whose employment has been impacted by COVID-19. These resources arrive at a critical time when the need in Orange County is exponentially higher than the resources through WIOA. The funding will aid in providing workforce re-entry and meaningful careers to 4,000 displaced Orange County workers impacted by the COVID-19 pandemic. We're amping up our efforts both internally and externally to provide swift and impactful solutions.

Steamrolling Ahead – Success Through COVID

Just a few months ago, Youth Program member, **Embry Jones** came to us as a high school graduate looking to continue his education after taking a year off. After working with Career Consultant, Marcel Cicero, he was accepted into the Valencia College Heavy Equipment Program, completed his classes online due to COVID-19 and went back to finish up the hands-on instruction requirement last month. Embry has earned his OSHA-10 certification, Florida (TTC) Temporary Traffic Control Certificate and the NCCER Heavy Equipment Operator Level 1 Certification. We're thrilled that he's been hired full time by MACK Contracting, Inc. earning \$14.00 per hour.

However you've chosen to engage with us, we're truly grateful. With unemployment numbers at record highs, the work we do is vital, now more than ever, to help drive Central Florida's economy back to one of prosperity. To kick off the new program year, we are inviting all board and committee members to deepen your involvement through new approved board engagement metrics - Participate, Demonstrate or Contribute. There is no shortage of ways to take part. Reach out to [Kaz Kasal](#) who can help connect you with upcoming opportunities.

Time. Talent. Treasure.
