REQUEST FOR PROPOSAL

2023 Summer Youth Programs - Explore and Engage

Central Florida Regional Workforce Development Board, Inc. d/b/a CareerSource Central Florida (CSCF) intends to solicit proposals from qualified organizations in efforts to leverage partnerships within CSCF's five-county local operating area (Sumter, Lake, Orange, Osceola, and Seminole), for participation in its 2023 Summer Youth Program. The Summer Youth Program takes advantage of students' time off from their secondary education to connect with future jobs from the most exciting – and in - demand – industries in their backyard. The overarching goals of CSCF's 2023 Summer Youth Program beyond inspiring young adult residents and especially supporting those in disadvantaged populations to sustain their own bright futures, is to create a robust pipeline of skilled, poised workers for our local employers. With three tracks to choose from depending on participant's age, as well as understanding of future career opportunities and/or preferences, there are options custom to each individual need or desire. The FY23 Summer Youth Program will work with at least 1,500 participants.

The RFP will be issued on CSCF's Solicitation website at <https://www.careersourcecentralflorida.com/about-us/careersource-central-florida/work-with-us/>, on October 3, 2022. Any inquiries regarding the RFP should be submitted electronically to: publicresponse@careersourcecef.com. Please type “**INQUIRY – SYP-E&E-PY23**” in the subject line. All inquiries will be timely addressed and updated in a Q&A section on the Solicitation webpage listed above. Responses to the RFP will be due by 5:00 pm EST on November 3, 2022.

CareerSource Central Florida is the direct service provider for various workforce programs which are fully supported by the U.S. Department of Labor, Health and Human Services, and Agriculture as part of awards totaling \$42M. All statements, press releases, requests for proposals, bid solicitations, public statements, social media, toolkits, resource guides, website and visual presentations are fully funded with federal money. Auxiliary aid services (ADA) are available upon request to individuals with disabilities.
