

Greetings CareerSource Central Florida Board Members!

Can you believe the busy holiday season is upon us? It is my sincere hope you take time to enjoy the next few months with family and friends and create those memories we all hold dear. It will go faster than we think.

It was truly a pleasure to see so many of you during our last board meeting at our Career Center in September. I continue to be appreciative of your participation and value the insight of so many innovative leaders helping us exceed our goals and fulfill our mission.

The past few weeks at CareerSource Central Florida has been tremendous. I was blown away by the energy, inspiration, and passion our CareerSourcers had during our 2022 All Staff meeting this past Friday. It was truly a day that left an impact across our company.

I hope you enjoy reading our Board Source this month and be sure to check out our new “Get to Know Our Board” section. Our Board Chair Jody Wood has some great fun facts to share with us, which I know you’ll find inspiring.

As always, thank you for your dedication and time as we work to continue elevating workforce development in Central Florida.

Sincerely,

-Pam

MONTHLY HIGHLIGHTS

[2022 All Staff Meeting](#)

The 2022 All Staff Meeting at the Wyndham Orlando Resort on International Drive this October, was a huge success. CareerSourcers from each of our five regions came out in force to attend our annual in-person, all-day meeting. From themed costumes, fun and interactive activities, to inspirational speeches from leaders in our community, the day was packed with key learning opportunities and enrichment. I was overwhelmed by the energy and the excitement from our staff, and it was a pivotal day that focused on Outrageous Leadership. It was great to see the amazing leaders we have across the company to spend the day learning, growing, and inspiring each other.

CareerSource Central Florida Receives an A!

I am proud of the outstanding work our team has done during the past few years. CSCF recently received an 'A' grade on the state's 2021 Reimagining Education and Career Help (REACH) Act to provide greater transparency and accountability in Florida's workforce and education systems. Thank you, board members, for helping to guide us on our journey.

National Apprenticeship Week

November 14-20, 2022 is National Apprenticeship Week, which coincides with the 85th anniversary of the National Apprenticeship Act, which creates opportunities for apprenticeships and helps businesses thrive.

National Apprenticeship Week is a national celebration of the power of Registered Apprenticeship programs designed to transform our workforce. Please join me in celebrating this milestone!

Here are CSCF we support a number of apprenticeships, and we are proud of the apprenticeship trades represented by members of our board.

SPOTLIGHT MOMENT

We are grateful for our Veterans on our CareerSourcers team. Many have made sacrifices and dedicated themselves to our County and to our organization. We are proud to honor them and all they do. We put a focus on making sure our Veterans are a priority. In support of the Remember Everyone Deployed (RED) program, our CareerSource Veterans wear red shirts on Fridays to show support for currently deployed, active-duty military. CSCF Veterans will also be honored at a breakfast next month to thank them for the service they give our customers.

Please join me in thanking our CSCF Veterans for their service and their continued passion to serve those in our communities today.

UPCOMING REMINDERS

Regional Workforce Planning

Our first workforce summit was to be held in November, but have moved it to early 2023 due to Hurricane Ian and its impact. We are looking forward to engaging with educational leaders, CEOs and C-Suite Executives on workforce needs during our first summit, which will be in Orange County with Valencia College and University of Central Florida. We will also be launching summits in other regions with leading educational partners in the coming months. As board members, we will be inviting you to the summit in your respective counties and look forward to your engagement.

GET TO KNOW THE BOARD

Meet CSCF Board Chair Jody Wood

We have an outstanding Board dedicated to our mission here at CareerSource Central Florida and who provides critical support, guidance, and strategies on how to best serve our communities. Each board member has extensive experience in their sector and profession and constitutes some of Central Florida's most iconic and valued brands. I am honored to know many board members personally and professionally, and I hope this "Get To Know Our Board" section gives you a deeper look into the amazing members who sit around the table with you. First up, Jody Wood our Board Chair and the Vice President of Recruitment and Talent Management with Disney Parks

Experiences and Products.

What do you enjoy about being on the board?

Everything! I am extremely passionate and aligned with the purpose and mission of CSCF which truly makes a positive impact in our community, in the lives of career seekers and helps our local businesses thrive! We have such a talented, engaged group of professionals on our board and I am inspired by the work we get to be part of!

What is your favorite quote?

I have a few and they are:

- "If you can dream it, you can do it" – Walt Disney
- "I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel." – Maya Angelou
- "When you change the way you look at things, the things you look at change" - Wayne Dyer

What is your favorite book?

"Oh the Places You'll Go" by Dr. Seuss – it is so timeless and has such inspirational charm.

Can you share a best work tip or inspiration?

Be kind to yourself, be grateful, find moments of joy in every day! In the pace and challenges of the day, we can often be hard on ourselves and lose sight of all the amazing things around us or in our lives. I have tried to be intentional each day to take a moment in the morning and in the evening to write down something I am grateful for in that day and note at least 3 “moments of joy”. Try it! It can be big or small! Joy comes in all sizes.
