## Terms and Conditions

1. This Order Form is valid and binding for the Subscription Term. Unless otherwise set forth in this Order Form, the 'Subscription Term' for the Subscription(s) in this Order Form shall be from the date of execution of this Order Form for the Duration listed above.
2. The Nintex Services on this Order Form are governed by the Master Subscription Agreement located at <http://www.nintex.com/legal>. In the event of any conflict between the terms of this Order Form and the terms of the agreement, the terms of this Order Form shall govern.
3. By signing this Order Form, you represent and warrant that you are authorized to enter into this Order Form and related agreements on behalf of the entity listed on the Order Form and bind such entity to the terms and conditions of this Order Form and related agreements.
4. All prices reflected in this Order Form do not include localized tax. Applicable taxes will be included at the time of invoice.
5. Service Period represents a non-cancelable commitment. All services will be billed annually in advance unless otherwise specified.
6. Payment Terms - Net 30 Days.

## Product Definitions

1. The DocGen for Salesforce Essentials subscription includes: (a) up to 100 users; (b) up to 5,000 document executions per twelve months of the Service period; (c) up to ten (10) document packages; (d) one (1) production tenant and unlimited sandbox environments; (e) Standard Support. Additional capacity may be purchased for an additional fee. Upgraded support available for additional cost. Both user-driven and event-driven executions in production are counted toward this limit. If Customer's Document Package Executions (in Production) exceed the Purchased Volumes in this Order Form (the "Overage"), then Nintex will invoice Customer quarterly in arrears for the Overage, at an amount not to exceed USD \$1.60/Document Package Execution (or equivalent local currency) (the "Overage Price"). The Overage Price is determined by either the Nintex Price List or any overage amount negotiated in this Order Form. For more information on included features, please see the product help documentation.
2. Due to recent product name changes, this line item, previously known as Nintex for 365 List Form Access is now known as SharePoint List Forms by Nintex. No other changes, including to the inclusions or entitlements provided as part of this offering, have been made.
3. Nintex eSign includes the following entitlements with an active subscription: Envelopes in accordance with the Purchased Volumes limitations in the Order Form, SMS (eSign via Text - Included) and Enterprise Support.
4. Document means an electronic document that is submitted by a Customer's User to be processed by Nintex eSign for e-signature by a signer.
5. Nintex eSign Seat means a non-automated User as defined by a Customer's administrator within the Nintex eSign service for the purpose of accessing the service. Nintex eSign Seats are used only in conjunction with a defined CRM application using the eSign API.
6. Envelope means a Document or collection of related Documents processed for electronic signature(s) by Nintex eSign. A billable Envelope is considered to have occurred when an Envelope is successfully generated and is available to be processed by a signer.

7. Due to recent product name changes, this line item, previously known as AssureSign Enterprise Edition - By Envelope is now known as Nintex eSign by Envelopes - Enterprise. No other changes, including to the inclusions or entitlements provided as part of this offering, have been made.
8. Nintex will store Envelopes at no charge for a period of two (2) years after the Start Date listed in the Service Period ("Free Storage Period"). At the expiration of the Free Storage Period, Long Term Storage charges shall be payable at the rate of \$0.02 per month for each stored Envelope paid in arrears.
9. Due to recent product name changes, this line item, previously known as AssureSign via Text - Included is now known as Nintex eSign via Text - Included. No other changes, including to the inclusions or entitlements provided as part of this offering, have been made.
10. The Purchased Volumes for a Nintex Workflow Cloud Premium Subscription include: (a) unrestricted number of Nintex Workflows; (b) up to 50,000 Workflow Instances per twelve months of the Service Period; (c) up to 10,000 Document Generation Executions per twelve months of the Service Period; and (d) Subscription Support – Enterprise Level. Additional capacity may be purchased for an additional Subscription Fee.
11. The product definitions for the subscription or support in this Order Form are available at <https://www.nintex.com/legal/product-definitions>.
12. Due to recent product name changes, this line item, previously known as Nintex Workflow Cloud - Premium is now known as Nintex Automation Cloud - Premium. No other changes, including to the inclusions or entitlements provided as part of this offering, have been made.
13. Added capacity for Nintex Workflow Cloud - Premium includes additional capacity up to the number of yearly workflow instances indicated in the order. This includes but is not limited to production or development workflow instances run across the customer's tenants.
14. Due to recent product name changes, this line item, previously known as Nintex Workflow Cloud - Premium - Added Capacity is now known as Nintex Automation Cloud Added Capacity - Premium. No other changes, including to the inclusions or entitlements provided as part of this offering, have been made.
