Terms and Conditions

1. This Order Form is valid and binding for the Subscription Term. Unless otherwise set forth in this Order Form, the 'Subscription Term' for the Subscription(s) in this Order Form shall be from the date of execution of this Order Form for the Duration listed above.
2. The Subscription on this Order Form is governed by the Enterprise-Wide Subscription Agreement, available at <https://www.nintex.com/legal/enterprise-wide-subscription-agreement/>. In the event of a conflict between the Enterprise-Wide Subscription Agreement and this Order Form, the terms of the Order Form will govern.
3. By signing this Order Form, you represent and warrant that you are authorized to enter into this Order Form and related agreements on behalf of the entity listed on the Order Form and bind such entity to the terms and conditions of this Order Form and related agreements.
4. All prices reflected in this Order Form do not include localized tax. Applicable taxes will be included at the time of invoice.
5. Service Period represents a non-cancelable commitment. All services will be billed annually in advance unless otherwise specified.
6. Notwithstanding Order Condition #5, the Customer may terminate this agreement if either the U.S. Department of Labor or the State of Florida reduces the funding for the grants under which this agreement is funded so long as the Customer provides 30 day written notice prior to the anniversary of the Start Date. No refund will be provided for the Services previously paid for by Customer.
7. Payment Terms - Net 30 Days.

Product Definitions

1. The product definitions for the subscription or support in this Order Form are available at <https://www.nintex.com/legal/product-definitions>.
2. Due to recent product name changes, this line item, previously known as K2 Five - Select Support Subscription is now known as Nintex Automation Select Support. No other changes, including to the inclusions or entitlements provided as part of this offering, have been made.
3. Nintex eSign includes the following entitlements with an active subscription: Envelopes in accordance with the Purchased Volumes limitations in the Order Form, Standard Support.
4. Envelope means a Document or collection of related Documents processed for electronic signature(s) by Nintex eSign. A billable Envelope is considered to have occurred when an Envelope is successfully generated and is available to be processed by a signer. Nintex eSign Seat means a non-automated User as defined by a Customer's

administrator within the Nintex eSign service for the purpose of accessing the service. Nintex eSign Seats are used only in conjunction with a defined CRM application using the eSign API.

5. Document means an electronic document that is submitted by a Customer's User to be processed by Nintex eSign for e-signature by a signer.
6. Due to recent product name changes, this line item, previously known as AssureSign Standard Edition - By Envelope is now known as Nintex eSign by Envelopes - Standard. No other changes, including to the inclusions or entitlements provided as part of this offering, have been made.
7. Nintex will store Envelopes at no charge for a period of two (2) years after the Start Date listed in the Service Period ("Free Storage Period"). At the expiration of the Free Storage Period, Long Term Storage charges shall be payable at the rate of \$0.02 per month for each stored Envelope paid in arrears.
8. The Purchased Volumes for a Nintex Workflow Cloud Premium Subscription include: (a) unrestricted number of Nintex Workflows; (b) up to 50,000 Workflow Instances per twelve months of the Service Period; (c) up to 10,000 Document Generation Executions per twelve months of the Service Period; and (d) Subscription Support – Enterprise Level. Additional capacity may be purchased for an additional Subscription Fee.
9. Due to recent product name changes, this line item, previously known as Nintex Workflow Cloud - Premium is now known as Nintex Automation Cloud - Premium. No other changes, including to the inclusions or entitlements provided as part of this offering, have been made.
10. Due to recent product name changes, this line item, previously known as LDS Add-on: Triggered / Mass DDPs is now known as Nintex DocGen for Salesforce - Additional DDPs. No other changes, including to the inclusions or entitlements provided as part of this offering, have been made.
11. Due to recent product name changes, this line item, previously known as LDS: Enterprise Edition is now known as Nintex DocGen for Salesforce - Enterprise User Based. No other changes, including to the inclusions or entitlements provided as part of this offering, have been made.
