1.14. **Broker:** Landlord's broker is **Lincoln Property Company**, and Tenant's broker is **RE Commercial** (see **Paragraph 40**).

1.15. **Termination Right:** Tenant shall have option to terminate this Lease (the "Termination Right") solely upon the occurrence of the conditions and according to the procedure set forth in this section 1.15. If Tenant elects to exercise its Termination Right, Tenant shall do so by delivering after the fourteenth (14th) month of the lease term: (i) written notice of such election to Landlord in compliance with the notice provisions of this Lease (the "Termination Notice"); (ii) written documentation certifying that there has occurred a material and significant decrease of the total funding amount allocated to Tenant by Tenant's funding source(s) for Tenant's operations for the calendar year in which the Termination Notice is delivered by Tenant to Landlord (the "Documentation"); and delivering Landlord's Costs (defined below) to Landlord no later than ten (10) months prior to the date designated by Tenant in the Termination Notice as the effective date of termination (the "Termination Date"). Tenant agrees that upon Landlord's receipt of the Termination Notice, the Right of First Offer under this Lease shall immediately terminate. The Landlord's costs payable by Tenant shall be an amount equal to the then unamortized costs of Landlord's Work and leasing commissions paid to Landlord's Broker, both of which shall be determined by reference to the full amount of such costs amortized over the sixty (60) month period beginning on the Rent Commencement Date. Upon Landlord's receipt of the Termination Notice, Landlord shall calculate Landlord's Costs through the Termination Date and provide notice thereof to Tenant within sixty (60) days of Landlord's receipt of the Termination Notice. Tenant shall be fully liable for the payment of all Rent and other charges owed under this Lease which shall be due and payable through and including the Termination Date, and for the performance of all terms and conditions of the Lease through and including the Termination Date. Tenant may only exercise the Termination Right if there is no current default under this Lease. The Termination right is not transferrable or assignable to any third party, and is personal to Tenant (or any legal successor-in-interest to Tenant through corporate reorganization, merger, etc.). All obligations of Landlord and Tenant which would survive the expiration of this Lease shall also survive the early termination of this Lease.

1.16. **Renewal Option:** Tenant shall have one (1) five-year option to renew the Lease (the "Option Period") at the fair market rental value of the Premises, as reasonably determined by a broker reasonably acceptable to Landlord and Tenant based on a then current market evaluation of rental properties comparable to the Premises at the commencement date of such Option Period (the "Renewal Option"). Notice of the exercise of the Renewal Option shall be given to Landlord in writing no later than 120 days prior to the end of the then-expiring lease term. In determining the fair market rental value for any option period, Landlord will not consider the highest and best use for the Premises, or the Building where the Premises are located or the underlying land, but will consider only the then prevailing rent for premises comparable in size, character, class and use to the Premises, located in buildings comparable in size and use to, and in the general vicinity of, the Building leased on terms comparable to the terms contained in this Lease. Taking into account any then-available leasing

incentives for the Premises or other comparable properties. Notwithstanding anything to the contrary contained in this Paragraph, the Option Period Base Rent shall never be less than the Base Rent paid by Tenant during the year immediately preceding the Option Period.

1.17. **Right of First Offer.** Subject to the rights of third parties, during the initial Term or any Option Period, and upon Landlord's determination to commence marketing activities for any space(s) adjacent to the Premises (each, a "First Offer Space") for rent to third party tenants, Landlord will provide Tenant with a written notice ("First Offer Notice") of the commencement of such marketing activities and Tenant, for a period of ten days following receipt of the First Offer Notice, will have the right ("Right of First Offer") to negotiate with the Landlord regarding the First Offer Space. Tenant acknowledges that Landlord has made no representation or warranty regarding the terms to be negotiated concerning the First Offer Space, and that the initial terms to be quoted by Landlord will be the prevailing market rates as reasonably determined by Landlord for comparable space in the Building. In the event the Landlord and Tenant have not agreed upon terms and conditions for the lease of the First Offer Space within 10 days following the date of the First Offer Notice, Landlord will be free to negotiate with and lease the First Offer Space to third parties without further obligation to Tenant under this Paragraph. If Landlord and Tenant are able to agree to the terms for the lease of the First Offer Space, the term for the lease of the First Offer Space will be coterminous with the Term of the Lease, but also subject to any renewal rights in this Lease on the same terms and conditions as the Premises. If Tenant has exercised its Right of First Offer, then the term "Premises" will mean the combined space of the original Premises and the First Offer Space.

2. **DEFINITIONS:** Unless the context otherwise specifies or requires, the following terms shall have the meanings set forth below:

2.1. **Common Areas:** shall mean all areas and facilities outside the Premises and within the exterior boundaries of the Project that are not leased to other tenants and that are provided and designated by Landlord, in its sole discretion from time to time, for the general use and convenience of Tenant and other tenants of the Project and their authorized representatives, employees, invitees and the general public, as more particularly set forth in Paragraph 4. Common Areas are areas within and outside of the buildings on the Project, such as common entrances and common or shared lobbies. - d) the cost of maintaining and repairing any solar installation serving the Premises;
- e) all real and personal property taxes and assessments (whether general or special), sewer rents, rates and charges, transit taxes, taxes based upon the receipt of Rent, and any other federal, state or local government charge, general, special, ordinary or extraordinary (but not including income taxes), which may now or hereafter be levied or assessed against the land upon which the Project stands or the Project for such year, or the furniture, fixtures, machinery, equipment, apparatus, systems and appurtenances used in connection with the Project for the operation thereof (the "Taxes").

Operating Expenses shall not include:

- f) depreciation on the Project or any Common Areas;
- g) costs of space planning, tenant improvements, marketing expenses, finders' fees and real estate broker commissions;
- h) any and all expenses for which Landlord is reimbursed or contractually obligated to be reimbursed (either by an insurer, condemnor, tenant or other person or entity), but only to the extent of such reimbursement;
- i) costs in connection with services or benefits of a type that are not standard and are not available to Tenant, but are available to another tenant or occupant;
- j) mark-ups on electricity and condenser cooling water for heat pumps in excess of Landlord's costs therefore;
- k) Landlord's general overhead and administrative expenses not directly allocable to the operation of the Project;
- l) Attorneys' fees and cost related to negotiating or enforcing any tenant lease, or resolving disputes with any lender of Landlord;
- m) interest on debt or amortization payments on any mortgage/deed of trust, or Rent on any ground lease; and
- n) federal and state taxes on income, death, estate or inheritance; or franchise taxes.

Notwithstanding anything herein to the contrary, if Landlord fails to bill Tenant for any Operating Expenses Rent within twenty-four (24) months of the date that such charges are incurred, then Tenant shall not be required to pay such Operating Expenses Rent.

- 2.3. Environmental Law: shall mean any law, statute, ordinance or regulation pertaining to health, industrial hygiene or the environment including, without limitation, CERCLA (Comprehensive Environmental Response, Compensation and Liability Act of 1980), RCRA (Resources Conservation and Recovery Act of 1976) and SARA (Superfund Amendments and Reauthorization Act of 1986).
- 2.4. Hazardous Substance: shall mean any substance, material or waste that is or becomes designated, classified or regulated as being "toxic" or "hazardous" or a "pollutant", or that

is or becomes similarly designated, classified or regulated, under any Environmental Law, including asbestos, petroleum and petroleum products, or that becomes hazardous to the health and welfare of any occupant in the Building.

2.5. Building Hours: **Intentionally deleted.**

2.6. Legal Requirements: shall mean any and all statutes, laws, ordinances, rules and requirements of all municipal, state and federal authorities now in force, or that may hereafter be in force, pertaining to the Premises, the Building and/or the Project occasioned by or affecting the use thereof by Tenant, including, but not limited to, the Americans With Disabilities Act.

2.7. Schedules: shall mean the schedules attached hereto and incorporated herein by reference. This Lease contains the following Schedules:

<u>Schedule 1</u>	Floor Plan of Premises
<u>Schedule 2</u>	Construction Rider
<u>Schedule 3</u>	Intentionally Omitted
<u>Schedule 4</u>	Rules and Regulations
<u>Schedule 5</u>	Tenant Acceptance Letter

2.8. Term: shall mean the initial term of this Lease. The Term shall commence as of the Commencement Date and end as of the Expiration Date unless sooner terminated as provided herein, or extended pursuant to the provisions of this Lease.

3. PREMISES:

3.1. Lease of Premises: Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, for the Term, the premises described in **Paragraph 1** above (the "**Premises**"), subject to the agreements, covenants, conditions and provisions set forth in this Lease, to which Landlord and Tenant hereby mutually agree. **Subject to the completion of the Work specified in Schedule 2**, Tenant hereby agrees to accept the Premises in an "as-is" condition and acknowledges that no representation with respect to the condition of the Premises have been made by Landlord. The parties hereby stipulate to the Rentable Square Feet in the Premises (as shown in **Paragraph 1**) and both parties waive the right either may have to remeasure the same. Upon occupancy of the Premises by Tenant, Tenant shall promptly execute and deliver to Landlord the Tenant Acceptance Letter attached hereto as Schedule 5. If Landlord is unable to deliver possession of the Premises on the Commencement Date, Landlord shall not be liable for any damage caused thereby, nor shall this Lease be void or voidable, but Tenant shall not be liable for any Rent and the Rent Commencement Date shall be delayed for the same number of days the Commencement Date is delayed, which Commencement Date shall not occur until possession is delivered, at which time the Term shall commence and the Expiration Date shall be extended so as to give effect to the full stated Term. Tenant may terminate this Lease if possession is not delivered within **180 days** after the Commencement Date.

3.2. Project: The Premises are a part of the project (the "**Project**") described in **Paragraph 1**. Landlord may increase, reduce or change the number, dimensions or locations of the walks, buildings, mall areas, parking and other Common Areas and other improvements located in the Project in any manner that Landlord, in its **commercially reasonable sole discretion**, shall deem proper. Landlord further reserves the right to make alterations and/or additions to and to build or cause to be built additional stories on the Building in which the Premises are situated and to add any buildings adjoining the Premises or elsewhere in the Project. Without limiting the generality of the foregoing, Landlord may add additional tenants, offices, retail shops, building and parking facilities anywhere in the Project. Such alterations and/or additions by Landlord shall not materially impair the Tenant's ability to use the Premises for its Permitted Use. Landlord reserves the right to install, maintain, use, repair and replace pipes, ducts, conduits and wires leading through the Premises and serving other parts of the Building and/or Project in a manner that will not materially interfere with Tenant's use of the Premises, except temporarily in the case of an emergency. Landlord shall also have the right to increase and expand the size of the Project by adding additional land, buildings and other structures to the Project, provided such expansion does not materially impair the Tenant's ability to use the Premises for its Permitted Use and the Tenant's Percentage Share is equitably adjusted. Landlord shall have the right to change the Project's name without notice, to change the Project's street address upon **90 days'** prior notice, to grant to any person or entity the exclusive right to conduct any business or render any service in or to the Project, provided such exclusive right shall not operate to prohibit Tenant from using the Premises for the purpose set forth in **Paragraph 1**, to retain at all

times master keys or passkeys to the Premises, and to place such signs, notices or displays as Landlord reasonably deems necessary or desirable upon the roof and exterior of the Building or elsewhere in the Project.

- 3.3. Relocation of Tenant: ~~Intentionally deleted. Landlord expressly reserves the right after the execution and during the Term, or any extension or renewal thereof, at its sole cost and expense, to remove the Tenant from the Premises and relocate the Tenant to some other space of Landlord's choosing of approximately the same size within the Project, which other space shall be decorated by Landlord at Landlord's expense and Landlord may in its discretion use such decorations and materials from the existing Premises or other materials, so that the space in which Tenant is relocated is comparable in its interior design and decoration to the Premises from which Tenant is removed. Tenant, by the execution of this Lease, acknowledges the foregoing right of Landlord, and no rights granted in this Lease to Tenant, including, but not limited to, the right of peaceful and quiet enjoyment, shall be deemed to have been breached or interfered with by reason of Landlord's exercise of the right of relocation reserved in this Subparagraph. Landlord's sole obligation for costs and expenses of removal and relocation shall be the actual cost of relocating and decorating the space in which Tenant is relocated and the reasonable moving costs of Tenant actually incurred in connection with the same, and Tenant agrees that Landlord's exercise of its election to remove and relocate Tenant shall not terminate this Lease or release the Tenant, in whole or in part, from the Tenant's obligation to pay Rent and perform the covenants and agreements hereunder for the full Term and any extension or renewal thereof.~~

4. COMMON AREAS:

- 4.1. Tenant's Right to Use Common Areas: Landlord grants Tenant and its authorized representatives and invitees the non-exclusive right to use the Common Areas with others who are entitled to use the Common Areas subject to Landlord's rights as set forth in this Lease.
- 4.2. Landlord's Control: Landlord has the right to: (a) establish, revise, update and **uniformly** enforce reasonable rules and regulations applicable to all tenants concerning the maintenance, management, use and operation of the Common Areas, the current rules and regulations are attached to this Lease as **Schedule 4**; (b) close, if necessary, any of the Common Areas to prevent dedication of any of the Common Areas or the accrual of any rights of any person or of the public to the Common Areas; (c) close temporarily any of the Common Areas for maintenance purposes; (d) select a person, firm or corporation (which may be an entity related to Landlord) to maintain and operate any of the Common Areas **based on market prices available in arm's length transactions**; and (e) designate other lands outside the exterior boundaries of the Project to become part of the Common Areas. Notwithstanding the provisions of this Subparagraph, in exercising its rights hereunder, Landlord shall provide Tenant with a means of reasonable **pedestrian and vehicular** access to and from the Premises.

5. RENT:

- 5.1. Base Rent: Tenant shall pay to Landlord, for the use and occupancy of the Premises at the times and in the manner provided below, Base Rent in the amount specified in **Paragraph 1**, payable in U.S. funds, in advance, starting on the Rent Commencement Date and on or before the first day of each and every successive calendar month thereafter during the Term (and any extension or renewal thereof) without demand, setoff or deduction.
- 5.2. Operating Expenses Rent:
- a) Calculation. In addition to Base Rent, Tenant shall pay Tenant's Percentage Share, as specified in **Paragraph 1**, of the Operating Expenses paid or incurred by Landlord in such year ("**Operating Expenses Rent**"). Tenant's Percentage Share of the Operating Expenses is the proportion that the Rentable Square Footage bears to the total rentable square footage of the Building, as determined by Landlord **using the same BOMA measurement standards used to determine the rentable square footage of the Premises** (said Percentage Share shall be adjusted in the event the rentable square footage of the Building or the Project is increased or decreased). If the Project consists of more than one building, the Landlord reserves the right to contract for services and/or utilities on a Project wide basis. In such instance, Tenant's Percentage Share for such Project-wide services, utilities or other costs shall be calculated based upon the Rentable Square Footage compared to the rentable square footage of the Project (instead of the Building).

- b) **Payment:** During December of each calendar year or as soon thereafter as practicable, Landlord shall provide Tenant with a written notice of its estimate (line item and detailed support included) of Operating Expenses Rent for the ensuing calendar year. On or before the first day of each month during the ensuing calendar year, Tenant shall pay to Landlord 1/12th of such estimated amount, provided that if such notice is not given in December, Tenant shall continue to pay on the basis of the prior year's estimate until the month after such notice is given. If at any time or times it appears to Landlord that the amount payable for Operating Expenses Rent for the current calendar year will vary from its estimate by more than 10%, Landlord, by written notice to Tenant, shall revise its estimate for such year, and subsequent payments by Tenant for such year shall be in an amount so that by the end of such year Tenant shall have paid a total sum equal to such revised estimate. Landlord shall indicate in its notice to Tenant the reasons Landlord believes its estimate has changed by more than 10%. **Notwithstanding anything contained herein to the contrary, Tenant's Share of Operating Expenses shall not increase from one (1) calendar year to the next by more than five percent (5%) per calendar year on a cumulative basis (excluding non-controllable expenses, such as taxes, insurance, utilities and janitorial costs which shall not be subject to the cap but shall increase at a rate that such costs actually increase).**
- c) **Statement:** Within 180 days after the close of each calendar year or as soon after such 180 day period as practicable, Landlord shall deliver to Tenant a statement of amounts of Operating Expense Rent payable under this Lease for such calendar year. If such statement shows an amount owing by Tenant that is more than the estimated payments for such calendar year previously made by Tenant, Tenant shall pay the deficiency to Landlord within 60 days after delivery of the statement. If the total of the estimated monthly installments paid by Tenant during any calendar year exceeds the actual expense amount due from Tenant for such calendar year, and provided Tenant is not in default hereunder, such excess shall, at Landlord's option, be either credited against payments next due hereunder or refunded by Landlord to Tenant. **Any obligations related to payment of excess Operating Expense Rent by Tenant or refunding Operating Expense Rent by Landlord shall survive the earlier expiration or termination of this Lease.**
- d) **Audit Rights:** Tenant has the right, exercisable no more than once each calendar year on ~~reasonable~~ **written** notice to Landlord and at a time reasonably acceptable to Landlord, **but in no event later than 45 days after Landlord's receipt of written notice**, to cause an audit to be performed, at Tenant's sole cost and expense, of Landlord's operations and/or books and records pertaining to Operating Expense Rent for the preceding calendar year. In the event Landlord has overstated Operating Expense Rent by more than 5%, and provided Tenant is not in default hereunder, within 30 days after demand therefore by Tenant accompanied by Tenant's verification of such overcharges and paid invoices, Landlord shall reimburse Tenant for the costs of such audit and verification incurred by Tenant (up to a maximum of \$500.00) and all overcharges.
- e) **Gross Up.** Notwithstanding any provision of this Subparagraph to the contrary, if the Building (or Project, as applicable) is less than 95% leased and/or occupied during any calendar year, an adjustment shall be made so that Operating Expense Rent shall be computed for such year as though 95% of the Project had been leased and occupied during such year.
- 5.3. **Sales Tax; Additional Rent:** Only if and to the extent actually charged by any applicable governmental or quasi-governmental authority, Tenant shall pay to Landlord (**Landlord and Tenant acknowledging that Tenant may be exempt from such payments and Tenant shall provide proof of any such exemption in which event Tenant shall have no obligation to pay**) monthly all sales or use taxes or excise taxes imposed or any other charge or payment required hereunder to be made by Tenant to Landlord. All sums of money as shall become due and payable by Tenant to Landlord under this Lease, including, without limitation, sales tax, Operating Expense Rent ~~and parking charges (if any)~~ shall be deemed additional Rent, which Tenant shall be obligated to pay. Landlord shall have the same remedies for default in the payment of additional Rent as are available to Landlord in the case of a default in the payment of Base Rent. All Base Rent, Operating Expense Rent and additional sums payable hereunder are sometimes collectively referred to as "Rent." All payments from Tenant to Landlord shall be paid in U.S. funds.
- 5.4. **Late Fee/Default Interest.** Any installment of Rent not paid within **5 10 days** after due and payable shall bear interest at ~~18~~**12%** per annum from the date due until paid and shall be

subject to a late charge in the amount equal to **10%** of the amount due. In the event any check, bank draft or negotiable instrument given for any payment under this Lease shall be dishonored at any time for any reason whatsoever not attributable to Landlord, Landlord shall be entitled, in addition to any other remedy that may be available, to an administrative charge of **\$100**.

- 5.5. **First Month's Rent.** The Base Rent installment due for the first full calendar month after the Rent Commencement Date and any partial month occurring at the beginning of the Term, and the Security Deposit, shall be delivered to Landlord by Tenant with the delivery of this Agreement to Landlord for execution.
- 5.6. **Proration:** If for any reason ~~other than the default of Tenant~~, this Lease commences on a day other than the first day of a calendar month or terminates on a day other than the last day of a calendar month or year, the amount of Rent payable by Tenant for such partial month or year shall be prorated on a per diem basis, as applicable.

6. USE OF PREMISES:

- 6.1. **Quiet Enjoyment.** Tenant shall, and may peacefully have, hold, and enjoy the Premises, subject to the other terms hereof, and provided that Tenant timely pays the Rent within any applicable notice and grace period, and timely performs all of Tenant's covenants and agreements herein contained. This covenant and all other covenants of Landlord shall be binding upon Landlord and its successors and/or assigns only with respect to breaches occurring during its or their respective periods of ownership of Landlord's interest hereunder.
- 6.2. **Effect on Insurance:** Tenant shall not use any portion of the Premises for purposes other than those specified in **Paragraph 1**, and no other use shall be made or permitted to be made upon the Premises, nor acts done, that could cause cancellation of any insurance policies covering the Project. If Landlord's insurance premiums increase due to Tenant's activity, Landlord may elect to charge Tenant directly for such additional cost as additional Rent hereunder and Tenant shall pay Landlord for the same within **10 days** after written demand thereof.
- 6.3. **Miscellaneous Restrictions:** Tenant shall operate from the Premises using the Trade Name set forth in **Paragraph 1**, **which Trade Name may be changed from time to time by delivery of ten (10) days prior written notice to Landlord setting for the new Trade Name and the reason for any change.** Tenant shall not use the Premises for, or permit in the Premises, any offensive, noisy, or dangerous trade, business, manufacture or occupation or interfere with the business of any other tenant in the Project. Tenant shall not cause, permit or suffer any waste or damage, disfigurement or injury to the Premises or the fixtures or equipment thereof or to the Building or the Common Areas. Tenant shall not use the Premises for washing clothes or cooking (except for a small kitchenette customarily located in an office) and nothing shall be prepared, manufactured or mixed in the Premises that might emit any offensive odor, exhaust or gas into the Project. Tenant shall not obstruct the Common Areas in the Project or use the same for business operations or advertising. Tenant shall not use the Premises for any purpose that would create unreasonable elevator loads, cause structural loads to be exceeded or adversely affect the mechanical, electrical, plumbing or other base building systems. Tenant shall at all times comply with the rules and regulations of the Project attached hereto as **Schedule 4** and with such additional rules and regulations as may be commercially reasonably adopted **and uniformly enforced** by Landlord from time to time.
- 6.4. **Prohibited Uses.** In addition, and not by way of limitation of the restrictions on use set forth herein, Tenant shall not use or permit the use of the Premises in any manner, nor shall Tenant keep the Premises in such a condition, that violates any Legal Requirements (as defined in **Paragraph 2**) now in effect or hereafter promulgated regulating the use, condition or occupancy of the Premises, and Tenant, at its sole expense, shall promptly comply with all such applicable Legal Requirements and Tenant shall indemnify and hold Landlord harmless from any failure to materially comply with any Legal Requirements and from all fines, suits, proceedings, claims, demands or actions of any kind arising out of or in connection with the occupancy or use of the Premises by Tenant. Tenant shall not use or permit any part of the Premises to be used for any unlawful purpose or for any purpose not approved by Landlord. Tenant shall not use or permit the use of the Premises in any manner that may create waste or a nuisance or that may **unreasonably** interfere with, **unreasonably** annoy, or **unreasonably** disturb Landlord or any tenant or occupant of the Building or Project.

- 6.5. Temporary Closure. Notwithstanding anything contained in this Lease to the contrary, should Landlord determine in its reasonable discretion that an emergency exists that threatens the Building or Project or any of the tenants or persons therein, or any of their property (e.g., an impending flood, a bomb threat to the Building and/or Project), including but not limited to emergencies caused by persons or natural conditions outside of Landlord's control, Landlord shall have the right to close the Building and/or the Project and require all tenants, including Tenant, to evacuate the Building until such emergency ceases to exist. Such closure shall not affect Base Rent, any other Rent or the Term (or any extension or renewal thereof).
7. **PARKING:** Subject to the rules and regulations of the Project, Tenant shall be entitled to the number of unreserved Parking Spaces (if any) set forth in **Paragraph 1** above. Tenant and its authorized representatives shall park their cars only in areas specifically designated for that purpose by Landlord. Within **5 days** after written request by Landlord or any parking space operator, Tenant shall furnish to Landlord the license numbers assigned to its cars and the cars of all of its authorized representatives. If Tenant or its authorized representatives ~~fails to park their cars in the designated parking areas, Landlord may charge Tenant as and for liquidated damages of \$30 per each day or partial day for each car parked in area other than those designated.~~ Tenant shall not park or permit the parking of any vehicles adjacent to loading areas so as to interfere in any way with the use of such areas. Only automobiles and pickup trucks shall be permitted in the parking areas. Landlord shall have the right, in Landlord's sole discretion, to designate parking spaces for the exclusive use of a particular tenant or particular tenants. Landlord shall have the right to institute reasonable procedures and/or methods to enforce the terms of this Subparagraph, including but not limited to, a card access system, the hiring of parking attendants or a management company.
8. **SIGNAGE:** Tenant shall have the right to erect, affix and display such signage as Tenant may consider necessary or desirable: i) on the Building façade on the east side of the Premises facing Semoran; ii) on the Building façade on south side of the Premises; and iii) on the monument sign in a location and size designated by Landlord; all in accordance with the rules and regulations of the Business Center, provided that such signs are reasonably architecturally harmonious with the Building Center. All such signs shall comply with all applicable zoning Laws. Tenant shall obtain Landlord's prior approval for signs on the exterior of the Premises and the monument sign, which approval shall not be unreasonably withheld, conditioned or delayed, for the location and design of such signs. Tenant shall properly maintain such signage at its sole costs and expense. If a tenant directory exists at the Building, Landlord shall include Tenant's name in the directory. Tenant shall not place any signs within the Premises that are visible from the outside of the Premises without Landlord's prior written approval.
9. **ASSIGNMENT AND SUBLETTING:**
- 9.1. Prohibition. Tenant shall not assign this Lease or sublet all or any portion of the Premises without the prior written consent of Landlord, which consent shall not be unreasonably withheld or delayed, provided Tenant is not in default under this Lease at the time of such request. The parties agree that it shall be reasonable for Landlord to withhold consent if Landlord is not **commercially reasonably** satisfied with the financial condition, identity, reputation or business character of the proposed assignee or sublessee or if Landlord or its agents have shown any space in the Project to, or attempted to negotiate lease terms with, such proposed assignee or sublessee regarding other available space in the Project within the preceding six months of the proposed assignment or subletting. Any change in the majority ownership, interest or control of Tenant, if Tenant is a corporation, partnership, limited liability company or other similar type entity, shall constitute an assignment for purposes of this Paragraph. Notwithstanding any consent by Landlord, Tenant and Guarantor(s), if any, shall remain jointly and severally liable (along with each approved assignee and sublessee, which shall automatically become liable) for all obligations of Tenant hereunder with respect to that portion of the Premises so transferred, and Landlord shall be permitted to enforce the provisions of this Lease directly against Tenant, Guarantor, if applicable, or any assignee or sublessee without proceeding in any way against any other party. In the event of an assignment, contemporaneously with the granting of Landlord's consent, Tenant shall cause the assignee to expressly assume in writing and agree to perform all of the covenants, duties and obligations of Tenant hereunder and such assignee shall be jointly and severally liable therefor along with Tenant. No usage of the Premises different from the usage provided for in **Paragraph 1** above shall be permitted, and all other terms and provisions of this Lease shall continue to apply after such assignment or sublease.
- 9.2. Consent Process. If Tenant requests Landlord's consent to an assignment of this Lease or subletting of all or part of the Premises, Landlord may, at its option: (i) approve such sublease or assignment (but no approval of an assignment or sublease shall relieve Tenant

of any liability hereunder); (ii) negotiate directly with the proposed subtenant or assignee and, in the event Landlord is able to reach agreement with such proposed subtenant or assignee, upon execution of a lease with such subtenant or assignee, terminate this Lease (in part or in whole, as appropriate) upon 30 days' notice to Tenant; or (iii) recapture the Premises or applicable portion thereof from Tenant and terminate this Lease (in part or in whole, as appropriate) upon 30 days' notice in which case Landlord shall be permitted to lease the Premises to any third party. If Landlord should fail to notify Tenant in writing of its decision within a 30 day period after Landlord is notified in writing of the proposed assignment or sublease, Landlord shall be deemed to have refused to consent to such assignment or subleasing, and to have elected to keep this Lease in full force and effect. In addition, in the event Tenant requests Landlord's consent to any assignment of this Lease or subletting, simultaneously with such request, Tenant shall pay to Landlord a processing fee in the amount of \$500.

- 9.3. **No Profit.** All cash or other consideration received by Tenant as the proceeds of any assignment or sublease of Tenant's interest in this Lease and/or the Premises, whether consented to by Landlord or not, shall be paid to Landlord, notwithstanding the fact that such proceeds may exceed the Rent due hereunder, unless Landlord agrees to the contrary in writing, and Tenant hereby assigns all rights it might have or ever acquire in any such proceeds to Landlord. This covenant and assignment shall benefit Landlord and its successors in ownership of the Building and shall bind Tenant and Tenant's heirs, executors, administrators, personal representatives, successors and assigns. Any assignee, sublessee or purchaser of Tenant's interest in this Lease, by occupying the Premises and/or assuming Tenant's obligations hereunder, shall be deemed to have assumed liability to Landlord for all amounts paid to persons other than Landlord in consideration of any such sale, assignment or subletting, in violation of the provisions hereof.

10. **ORDINANCES AND STATUTES:** At Tenant's sole cost, Tenant shall comply with all Legal Requirements. ~~The commencement or pendency of any state or federal court abatement proceeding affecting the use of the Premises shall, at the option of the Landlord, be deemed a breach hereof.~~

11. MAINTENANCE, REPAIRS, ALTERATIONS:

- 10.1 **Tenant's Obligations:** Except for the completion of any work by Landlord as described in **Schedule 2**, if any, Tenant hereby agrees to accept the Premises in its "AS IS" condition without any representation or warranty of any kind. Tenant acknowledges that the Premises are in good order and repair, unless otherwise expressly indicated herein. Tenant shall, at its own expense and at all times, maintain the Premises in good and safe condition and shall surrender the same, at termination hereof, in as good condition as received, normal wear, tear and casualty excepted. Tenant, at Tenant's expense, shall be responsible for all janitorial services to the Premises, maintenance and repairs necessary or required in the Premises, except any electrical wiring or plumbing and any other Building systems or Building equipment located in the Premises, roof, exterior walls, structural foundations, parking areas and other Common Areas, which shall be maintained and repaired by Landlord and included in Operating Expenses. Notwithstanding anything herein to the contrary, Tenant shall be responsible for maintaining and repairing any electrical wiring, telecommunications or computer cabling, plumbing fixtures or the like exclusively serving the Premises. Notwithstanding the foregoing, Tenant shall at its sole expense, keep the Premises in good repair and tenantable condition (excepting ordinary wear and tear and damage due to casualty) during the Lease Term. As part of its maintenance obligation set forth above, Tenant shall bear the responsibility for the repair, maintenance and/or replacement of the heating, ventilation and air conditioning or evaporative cooling system serving the Premises (the "HVAC Units"). **Landlord shall warrant the eight (8) HVAC units to be installed by Landlord pursuant to Schedule 2 for the ninety (90) day period following the Commencement Date. Tenant shall provide to Landlord, on or before the ninetieth (90th) day after the Commencement Date, a copy of the contract between Tenant and a licensed, bonded and insured mechanical contractor reasonably acceptable to Landlord to perform maintenance on the HVAC Units on not less than a bi-annual basis during the Term of the Lease. If Tenant fails to enter into and keep in force and effect a maintenance contract for the HVAC Units during the Term of this Lease, then Landlord may, but shall not be obligated to, enter into a maintenance contract for the HVAC Units on the Tenant's behalf and may bill Tenant for the cost of same as Additional Rent.**

Exterior and demising walls, subfloors (excluding floor coverings), load-bearing elements, the roof, structural foundations, parking areas, building standard mechanical, electrical, life-safety for common areas, HVAC for common areas (outside of the Premises and plumbing systems, pipes, and conduits (outside of the Premises) that are provided by Landlord in the operation of the Building and other Common Areas, shall be maintained and repaired by Landlord and included in Operating Expenses. Notwithstanding the foregoing, Tenant shall be responsible for maintaining and repairing any electrical wiring, telecommunications or computer cabling, plumbing fixtures or the like exclusively serving the Premises.

- 10.2 **Limitations:** Tenant may not make any improvements or alterations to the Premises without the prior written consent of Landlord. Notwithstanding the foregoing, Tenant may make any improvements or alterations to the Premises if they are nonstructural, do not affect any Building system, cost less than **\$5,000**, cannot be seen from the exterior of the Premises, and otherwise comply with all Legal Requirements and the following provisions of this **Paragraph 10**. Prior to the commencement of any repair, improvement, or alteration, Tenant shall give Landlord at least **10 business days'** written notice in order that Landlord may post appropriate notices to avoid any liability for liens. All repairs, improvements or alterations shall be made by a licensed and insured contractor consented to by Landlord and performed in a good and workmanlike manner. All materials used shall be of a quality comparable to or better than those in the Premises and shall be in accordance with plans and specifications reasonably approved by Landlord.
- 10.3 **Liens:** Tenant shall pay all costs of construction done by it or caused to be done by it on the Premises as permitted by this Lease. Tenant shall keep the Project free and clear of all construction, mechanics', materialmen's, laborers' and suppliers' liens, resulting from construction done by or for Tenant. The interest of Landlord in the Premises and the Project shall not be subject to liens for improvements made by Tenant. Upon Landlord's request, Tenant shall provide lien waivers in such form and content as Landlord may require. Any lien filed by any contractor, materialman, laborer or supplier performing work for Tenant shall attach only to Tenant's interest in the Premises. Tenant shall indemnify, defend and hold harmless Landlord from and against any and all costs and liabilities (including attorneys' fees and expenses) and any and all construction, mechanics', materialmen's, laborers' or suppliers' liens arising out of or pertaining to any improvements or construction done by Tenant or at Tenant's request. Landlord shall indemnify, defend and hold harmless Tenant from and against any and all costs and liabilities (including attorneys' fees and expenses) and any and all construction, mechanics', materialmen's, laborers' or suppliers' liens arising out of or pertaining to any improvements or construction done by Landlord or at Landlord's request. All persons and entities contracting or otherwise dealing with Tenant relative to the Premises or the Project are hereby placed on notice of the provisions of this Paragraph, and Tenant shall further notify in writing such persons or entities of the provisions of this Paragraph prior to commencement of any Tenant work in the Premises. If any construction, mechanic's, materialmen's, laborers' or suppliers' lien is ever claimed, fixed or asserted against the Premises or any other portion of the Project in connection with any such Tenant work, Tenant shall, within **15 days** after receipt by Tenant of notice of such lien, discharge same as a lien either by payment or by posting of any bond as permitted by law. If Tenant shall fail to discharge any such lien, whether valid or not, within **15 days** after receipt of notice from Landlord, Landlord shall have the right, but not the obligation, to discharge such lien on behalf of Tenant and all costs and expenses incurred by Landlord associated with the discharge of the lien, including, without limitation, attorneys' fees, shall constitute additional Rent hereunder and shall be immediately due and payable by Tenant.
- 10.4 **Surrender of Premises:** On the last day of the Term (as it may have been extended or renewed) or on any sooner termination, Tenant shall surrender the Premises to Landlord in the same condition as when received, ordinary wear and tear excepted, and clear and free of debris. Tenant shall repair any damage to the Premises occasioned by the installation or removal of Tenant's trade fixtures, furnishings and equipment.

12. **ENTRY AND INSPECTION:** Tenant shall permit Landlord or Landlord's agents to enter upon the Premises at reasonable times without material disruption to Tenant and upon 24 hours prior verbal notice for the purpose of inspecting the same, performing any repairs, alterations, improvements or additions as Landlord may deem necessary or desirable, irrespective of whether the work is for the Premises or for other premises or facilities, and showing the Premises to potential and existing mortgagees and purchasers, and prospective tenants in the Project. Notwithstanding the foregoing, Landlord is not required to give notice to Tenant if Landlord must enter the Premises because of an emergency. Tenant shall permit Landlord at any time within 180 days prior to the expiration of this Lease, to place upon the Project (but not the Premises) any usual "To Let" or "For Lease" signs, and permit potential tenants to inspect the Premises. Landlord shall use commercially reasonable efforts to minimize disruption to Tenant, including scheduling, if possible, the showing of the Premises outside of normal business hours.

To the limited extent specified in section 768.28, Tenant may be responsible for certain damages for injury or loss of property caused by the negligent acts or omissions of its employees acting within the scope of the employee's office or employment. However, nothing stated in this Lease is, or shall be deemed to be: (i) a waiver of the Tenant's sovereign immunity; (ii) an extension of the limited waiver of its sovereign immunity as stated in section 768.28; (iii) a waiver of any requirement or condition stated in section 768.28. Tenant agrees to accept and is responsible for its own acts and omissions in performance of its duties and responsibilities pursuant to this Lease as well as those acts or omissions of its employees, and nothing in this Lease shall be construed to place any responsibility for such acts or omissions on the Landlord.

Subject to this Section 13.1 and Paragraph 15 below, Tenant agrees to and shall indemnify, defend and hold Landlord harmless from and against any and all claims, demands, losses, damages, costs and expenses (including attorneys' fees and expenses) or death of or injury to any person or damage to any property whatsoever arising out of ~~Tenant's negligent acts or omissions, or relating to~~ Tenant's breach or default under this Lease, including, but not limited to, Tenant's breach of Paragraph 13 below or Tenant's use or occupancy of the Premises or caused by Tenant or its agents, employees or invitees, unless proximately caused by the gross negligence of Landlord. Landlord shall not be liable to Tenant for any damage by or from any act or negligence of any co-tenant or other occupant of the Project or by any owner or occupant of adjoining or contiguous property. Tenant shall pay for all damage to the Project, as well as all damage to tenants or occupants thereof, caused by misuse or neglect of the Premises, its apparatus or appurtenances or the Common Areas, the Building or the Project, by Tenant or Tenant's employees, agents and invitees. The provisions of this Paragraph 13.1 shall survive the termination of this Lease.

Subject to Paragraph 15 below Landlord agrees to and shall indemnify, defend and hold Tenant harmless from and against any and all claims, demands, losses, damages, costs and expenses (including attorneys' fees and expenses) or death of or injury to any person or damage to any property whatsoever arising out of Landlord's breach or default under this Lease, including, but not limited to, acts caused by Landlord or its agents, employees, unless proximately caused by the employees of Tenant or Tenant's breach of this Lease. Tenant shall not be liable to Landlord for any damage by or from any act or negligence of any co-tenant or other occupant of the Project or by any owner or occupant of adjoining or contiguous property. be obligated to, procure such insurance on behalf of Tenant and the cost thereof shall be payable to Landlord as additional Rent within **10 days** following written demand therefore.

15. LANDLORD'S INSURANCE:

- 15.1. All Risk. Landlord (or its principals naming Landlord as an additional insured) shall, as part of the Operating Expenses, maintain fire and extended coverage insurance on the Project and the Premises (which may include vandalism and malicious mischief coverage) and such endorsements as Landlord or Landlord's lender may require or is otherwise reasonably consistent with other similarly situated buildings **in the market in which the Premises is located** in an amount not less than the full replacement value thereof (which may be exclusive of foundations), or in such amounts as any mortgagee of Landlord shall require, with such deductibles as shall be determined by Landlord from time to time. Landlord (or its principals naming Landlord as an additional insured) reserves the right to self-insure the Project so long as a financial institution such as an insurance company, bank, savings and loan association, or pension fund having a net worth of at least **\$100 million** owns an interest in the Project of **50% or more**. **In the event that such financial institution's net worth is less than \$100 million, Landlord shall promptly purchase commercial insurance from insurers with the same requirements applicable to Tenant, as set forth in this Lease.** Landlord (or its principals naming Landlord as an additional insured) also reserves the right to provide the insurance required hereunder as part of a blanket policy. All expenses for insurance obtained by Landlord in connection with the Project shall be passed through to the tenants of the Project, including Tenant, as part of the Operating Expenses, and payments for losses thereunder shall be made solely to Landlord or any mortgagee of Landlord as their interests shall appear. In the event of self-insurance, the premium cost equivalency of such policy or policies shall be a part of the Operating Expenses. In the event of blanket insurance, Landlord shall reasonably allocate the portion of the blanket premium to the Operating Expenses for the Project.
- 15.2. Liability. Landlord shall, as part of the Operating Expenses, maintain a policy or policies of commercial general liability insurance with respect to the Common Areas and the activities thereon in such amounts as Landlord or any mortgagee of Landlord may require. In the event of self-insurance (as referenced in **Subparagraph 14.1** above), the premium cost equivalency of such policy or policies shall be part of the Operating Expenses.
- 15.3. Other. Landlord may purchase insurance for windstorm, flood, plate glass, sign, automobile, sinkhole, business income, Rent loss, liquor liability, terrorism, earthquake and such other insurance that Landlord or any mortgagee of Landlord may require in their sole discretion and with such deductibles as Landlord may desire. The costs of all such insurance shall be part of the Operating Expenses. Landlord may hereafter raise or lower such coverage in such amounts as may from time to time be prudent to Landlord within its ~~sole~~ **commercially reasonable** discretion or as Landlord's mortgagee may require.
16. **SUBROGATION:** Landlord and Tenant shall each obtain from their respective insurers under all policies of property insurance maintained by either of them at any time during the Term (and any extension or renewal thereof) insuring or covering the Premises or Project, as applicable, a waiver of all rights of subrogation that the insurer of one party might otherwise have, if at all, against the other party.
- #### 17. UTILITIES AND SERVICES:
- 17.1. Standards. Tenant shall pay directly for janitorial service and separately metered electricity. Landlord shall provide pest control services for common areas and trash. All utilities are separately metered and Tenant shall pay for utilities directly to the utility providers.
- 17.2. Temporary Interruption. Landlord reserves the right, without any liability to Tenant and without affecting Tenant's covenants and obligations hereunder, to stop or interrupt or reduce any of the services listed in this **Paragraph 16** or to stop or interrupt or reduce any other services, required of Landlord under this Lease, whenever and for so long as may be necessary by reason of (i) accidents, emergencies, strikes or the occurrence of any of the other events of force majeure, (ii) the making of repairs or changes that Landlord is required by law, or is permitted by this Lease, to make or in good faith deems necessary, (iii) difficulty or excessive expense in securing proper supplies of fuel, steam, water, electricity, or similar commodities, (iv) any other cause beyond Landlord's reasonable control, whether similar or dissimilar to the foregoing. Landlord does not warrant that the services provided for in this Lease will be free from interruption or stoppage resulting from the above causes, and specifically no reduction, interruption or stoppage of any such services for any reason, shall ever be construed as an eviction of Tenant nor shall the same cause any abatement of

the Rent payable hereunder or in any manner, or for any purpose, relieve Tenant from any of Tenant's obligations hereunder, and in any event, Landlord shall not be liable for any loss, cost or damage, direct or consequential, of any nature arising in connection with interruption or stoppage of any of such services or for any damage to persons or property resulting therefrom; provided, however, Landlord shall use reasonable diligence to resume the service or to cause the same to be resumed. **Notwithstanding the foregoing, in the event that such closure lasts beyond seven (7) days due to acts or omissions of Landlord, and Tenant is unable to and does not use or occupy the Premises during such seven (7) day period, the following such period Base Rent will thereafter abate for so long as Tenant is unable to use and occupy and does not use or occupy the Premises.** Furthermore, Landlord shall not be liable under any circumstances for a loss of, or injury to, property or for injury to, or interference with, Tenant's business, including, without limitation, loss of profits, however occurring, through or in connection with or incidental to a failure to furnish any of the services or utilities as set forth in this **Paragraph 17.**

- 17.3. **Security.** Landlord shall have no obligation to provide any security whatsoever for the Building, the Premises, the Project and/or Tenant's business therein. Tenant hereby acknowledges and agrees that Tenant shall provide and be solely responsible for Tenant's own security, at Tenant's sole cost and expense, as may be required for the operation of Tenant's business within the Premises, and Landlord shall have no liability to any tenant, including Tenant and its employees, agents or invitees for losses due to theft or burglary, or for damages done by unauthorized persons in the Premises, the Building, any parking facility, or the Project or for any injury, trauma or other harm to any person, and neither shall Landlord be required to insure against any such losses. Tenant shall be responsible for all repairs and replacements of damage and/or destruction of the Premises necessitated by burglary or attempted burglary, or any other illegal or forcible entry into the Premises. Notwithstanding the foregoing, Tenant acknowledges and agrees Landlord may, but shall not be required to, adopt and provide security services for the Project from time to time. Tenant shall cooperate fully in any efforts of Landlord to maintain security in the Project and shall follow all rules and regulations promulgated by Landlord with respect thereto. However, any security services that are voluntarily undertaken by Landlord may be changed or discontinued from time to time in Landlord's sole and absolute discretion, without liability to any tenant, including Tenant and its employees, agents or invitees. Tenant and any of its employees, agents or invitees waive any claims it or they may have against Landlord arising out of any security services provided by Landlord, or the inadequacy or absence thereof, specifically including Landlord's negligence with respect to providing, or the failure to provide, such services.
18. **CONDEMNATION:** If the whole or substantially the whole of the Building or Premises should be taken for any public or quasi-public use, by right of eminent domain or otherwise or should be sold in lieu of condemnation, then this Lease shall terminate as of the date when physical possession of the Building and/or Premises is taken by the condemning authority. If less than the whole or substantially the whole of the Building, Premises or Project is thus taken or sold, Landlord (whether or not the Premises are affected thereby), may, at its option, terminate this Lease by giving written notice thereof to Tenant; in which event this Lease shall terminate as of the date when physical possession of such portion of the Building, the Premises or the Project is taken by condemning authority. In addition, **if the rentable square footage of the Premises is reduced below 10,000 square feet, Tenant may, terminate this Lease by notifying Landlord in writing of such termination within 90 days after the date Tenant receives notice of such condemnation resulting in such reduction of space.** If this Lease is not terminated upon any such taking or sale, and if the Premises are affected, the Base Rent payable hereunder shall be diminished by an equitable amount, and Landlord shall, to the extent Landlord deems feasible, restore the Building and, if affected, the Premises to substantially their former condition, but such work shall not exceed the scope of the work done by Landlord in originally constructing the Building and installing any work in the Premises if constructed by Landlord pursuant to **Schedule 2**, nor shall Landlord in any event be required to spend for such work an amount in excess of the amount received by Landlord as compensation for such taking. All amounts awarded upon a taking of any part or all of the Project, Building, or Premises shall belong to Landlord, provided that Tenant shall not be entitled to and expressly waives all claim to any such compensation. All sums that may be payable on account of any condemnation shall belong solely to the Landlord, and Tenant shall not be entitled to any part thereof, provided however, that Tenant shall be entitled to retain any amount awarded to it for its trade fixtures or moving expenses.
19. **TRADE FIXTURES:** Any and all improvements made to the Premises during the Term (and any extension or renewal thereof) shall, unless Landlord requests their removal, belong to the Landlord without compensation, allowance or credit to Tenant, except movable trade fixtures **and any personal property, equipment, furniture and fixtures of the Tenant** that can be removed without defacing the Premises or any portion of the Building or Project. Tenant shall be directly responsible

for taxes upon, measured by or reasonably attributable to the cost or value of Tenant's equipment, furniture, fixtures and other personal property located in the Premises or by the cost or value of any leasehold improvements made in or to the Premises by or for Tenant other than the initial improvements to be installed at Landlord's expense regardless of whether title to such improvements is in Tenant or Landlord.

20. DESTRUCTION OF PREMISES:

- 20.1. Termination or Repair. If the Premises or any part thereof shall be damaged by fire or other casualty, Tenant shall give prompt written notice thereof to Landlord if Landlord does not otherwise have actual knowledge thereof. In case the Building or the Project shall be so damaged that substantial alteration or reconstruction of the Building or the Project shall, in Landlord's sole opinion, be required (whether or not the Premises shall have been damaged by such casualty), or in the event any mortgagee of Landlord's interest in the Building or the Project should require that the insurance proceeds payable as a result of a casualty be applied to the payment of the mortgage debt, or in the event of any material uninsured loss to the Building or the Project, Landlord may, at its option, terminate this Lease by notifying Tenant in writing of such termination within **90 days** after the date of such casualty. **In the event that the rentable square footage of the Premises is reduced below 10,000 square feet, either Tenant may, terminate this Lease by notifying Landlord in writing of such termination within 90 days after the date of such casualty. If neither Tenant nor Landlord does not elect to terminate this Lease, Landlord shall commence and proceed with reasonable diligence to restore the Building and any work constructed by Landlord pursuant to Schedule 2; except that Landlord's obligation to restore shall not require Landlord to spend for such work an amount in excess of the insurance proceeds actually received by Landlord as a result of the casualty. Notwithstanding anything to the contrary contained in this Paragraph, Landlord shall not have any obligation whatsoever to repair, reconstruct, or restore the Premises when the damage resulting from any casualty occurs during the last 12 months of the Term (or any extension or renewal thereof).**
- 20.2. Abatement of Rent. Landlord shall not be liable for any inconvenience or annoyance to Tenant or injury to the business of Tenant resulting in any way from such casualty damage or the repair thereof; except that, subject to the provisions of the next sentence, Landlord shall allow Tenant a prorata abatement of Rent during the time and to the extent the Premises are unfit for occupancy. ~~If the Premises or any other portion of the Building or Project is damaged by fire or other casualty resulting from the fault or negligence of Tenant or any of Tenant's agents, contractors, employees, or invitees, the Rent hereunder shall not be diminished during the repair of such damage, and Tenant shall be liable to Landlord for the cost of the repair and restoration of the Building or Project caused thereby to the extent such cost and expense is not covered by insurance proceeds.~~
- 20.3. Last Year of Term. If any material damage or destruction occurs to the Premises (or the Building materially impairing use of the Premises) during the last year of the Term (or any extension or renewal thereof), Tenant may terminate this Lease upon written notice to Landlord within **30 days** after the occurrence of the damage or destruction.

21. HAZARDOUS SUBSTANCES:

- 21.1. Tenant's Responsibilities: At its own expense, Tenant shall procure, maintain in effect and comply with all conditions of any and all permits, licenses and other governmental and regulatory approvals required for Tenant's use of the Premises. Tenant shall not cause or permit any Hazardous Substance to be brought upon, kept or used in or about the Project by Tenant, its agents, employees, contractors or invitees without the prior written consent of Landlord except for the routine office cleaning supplies that may be deemed Hazardous Substances provided such Hazardous Substances are stored, used and removed in compliance with all Legal Requirements and Environmental Laws. Tenant shall cause any and all Hazardous Substances brought upon the Project by Tenant, its agents, employees, contractors or invitees, to be removed from the Project and transported solely by duly licensed haulers to duly licensed facilities for final disposal of such materials and wastes. Tenant shall, in all respects, handle, treat, deal with and manage any and all Hazardous Substances in, on, under or about the Premises in total conformity with all applicable Environmental Laws and prudent industry practices regarding management of such Hazardous Substances. Upon expiration or earlier termination of the Term (or any extension or renewal thereof), Tenant shall cause all Hazardous Substances placed on, under or about the Premises by Tenant (or its agents, employees, contractors or invitees) or at Tenant's direction to be removed and transported for use, storage or disposal in accordance and compliance with all applicable Environmental Laws. Tenant shall not take any remedial action in response to the presence of any Hazardous Substances in or about the

Premises or the Project, nor enter into any settlement agreement, consent decree or other compromise in respect to any claims relating to any Hazardous Substances in any way connected with the Premises without first notifying Landlord of Tenant's intention to do so and affording Landlord ample opportunity to appear, intervene or otherwise appropriately assert and protect Landlord's interests with respect thereto.

- 21.2. **Indemnification:** If the Premises or the Project become contaminated in any manner for which Tenant is legally liable or otherwise become affected by any release or discharge of a Hazardous Substance, Tenant shall immediately notify Landlord of the release or discharge of the Hazardous Substance, and Tenant shall indemnify, defend and hold harmless Landlord from and against any and all claims, damages, fines, judgments, penalties, costs, liabilities or losses (including, without limitation, a decrease in value of the Project or the Premises, damages caused by loss or restriction of rentable or usable space, or any damages caused by adverse impact on marketing of the space, and any and all sums paid for settlement of claims, attorneys' fees and expenses, consultant fees and expert fees) arising during or after the Term (and any extension or renewal thereof) and arising as a result of such contamination, release or discharge. This indemnification includes, without limitation, any and all costs incurred because of any investigation of the site or any cleanup, removal or restoration mandated by federal, state or local agency or political subdivision.

If the Premises or the Project become contaminated or otherwise become affected by any release or discharge of a Hazardous Substance as a result of actions of Landlord, Landlord shall immediately notify Tenant of the release or discharge of the Hazardous Substance, and Landlord shall indemnify, defend and hold harmless Tenant from and against any and all claims, damages, fines, judgments, penalties, costs, liabilities or losses arising during or after the Term (and any extension or renewal thereof) and arising as a result of such contamination, release or discharge. This indemnification includes, without limitation, any and all costs incurred because of any investigation of the site or any cleanup, removal or restoration mandated by federal, state or local agency or political subdivision. This Subparagraph 20.2 shall survive termination or expiration of this Lease.

22. **TENANT EVENTS OF DEFAULT:** If one or more of the following events ("Event of Default") occurs, such occurrence constitutes a breach of this Lease by Tenant:

- 22.1. **Abandonment/Vacation:** Tenant abandons or vacates the Premises or removes furniture, fixtures or personal property, except in the normal course of business and fails to pay monthly Base Rent, Operating Expenses Rent, or additional Rent ; or
- 22.2. **Rent:** Tenant fails to pay any monthly Base Rent, Operating Expenses Rent, or additional Rent, if applicable, as and when the same becomes due and payable, and such failure continues for more than **5 days**; or
- 22.3. **Other Sums:** Tenant fails to pay any other sum or charge payable by Tenant hereunder as and when the same becomes due and payable, and such failure continues for more than **15 days** after Landlord gives written notice thereof to Tenant; or
- 22.4. **Other Provisions:** Tenant fails to perform or observe any other agreement, covenant, condition or provision of this Lease to be performed or observed by Tenant as and when performance or observance is due (or immediately if the failure involves a hazardous condition), and such failure continues for more than **15 days** after Landlord gives written notice thereof to Tenant, or if the default does not involve a hazardous condition and cannot be reasonably cured within said 15 day period and Tenant fails promptly to commence with due diligence and dispatch the curing of such default within said 15 day period or, having so commenced, thereafter fails to prosecute or complete with due diligence and dispatch the curing of such default **if not capable of cure within such 15 day period**; or
- 22.5. **Insolvency:** Tenant or Guarantor (if any): (a) files or consents by answer or otherwise to the filing against it of a petition for relief or reorganization or arrangement or any other petition in bankruptcy or liquidation, or to take advantage of any bankruptcy or insolvency law of any jurisdiction; (b) makes an assignment for the benefit of its creditors; (c) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of itself or of any substantial part of its property; or (d) takes action for the purpose of any of the foregoing; and in the case of Guarantor a replacement for Guarantor acceptable to Landlord is not provided within **30 days** after the filing or occurrence of any matters in **Subparagraphs (a) - (d) above**; or

- 22.6. Receiver: A court or governmental authority of competent jurisdiction, without consent by Tenant or Guarantor, as applicable, enters an order appointing a custodian, receiver, trustee or other officer with similar powers with respect to Tenant or Guarantor, if any, or with respect to any substantial power of its property, or constituting an order for relief or approving a petition for relief or reorganization or any other petition in bankruptcy or insolvency law of any jurisdiction, or ordering the dissolution, winding up or liquidation of Tenant, or if any such petition is filed against Tenant or Guarantor and such receivership or petition is not dismissed within **60 days**; or
- 22.7. Attachments: This Lease or any estate of Tenant hereunder is levied upon under any attachment or execution and such attachment or execution is not vacated within **60 days**; or
- 22.8. Assignment/Sublease: Tenant assigns this Lease or subleases all or any portion of the Premises without Landlord's prior written consent.

23. REMEDIES UPON DEFAULT:

- 23.1. Termination: In the event of any Event of Default by Tenant, Landlord may, at its option, terminate this Lease and repossess the Premises pursuant to the laws of the State in which the Project is located and recover from Tenant as damages:

the unpaid Rent (including, but not limited to Base Rent and Operating Expense Rent) and other amounts due at the time of termination plus interest thereon at the maximum lawful rate per annum from the due date until paid;

the present value of the balance of the Rent for the remainder of the Term (and any extension or renewal thereof) after termination less the present value of the fair market value rental of the Premises for said period (both determined by applying a discount rate of the Wall Street Journal Prime Rate); and

any other amount necessary to compensate Landlord for all detriment proximately caused by Tenant's failure to perform its obligations under this Lease or that in the ordinary course of things would be likely to result therefrom, including, without limitation, the cost of recovering the Premises.

- 23.2. Landlord's Options: In the event of any breach of this Lease by Tenant, Landlord may, in the alternative, (i) continue this Lease in effect, as long as Landlord does not terminate Tenant's right to possession, and Landlord may enforce all its rights and remedies under this Lease, including the right to recover the Rent as it becomes due; or (ii) terminate Tenant's right of possession (but not this Lease) and repossess the Premises pursuant to the laws of the State in which the Project is located in which event Landlord may, but shall be under no obligation (except to the extent required by the laws of the State in which the Project is located), relet the Premises for the account of Tenant for such rent and upon such terms as shall be satisfactory to Landlord; and (iii) exercise any and all other rights and remedies available to Landlord at law or in equity. In the event that Landlord elects to relet: a(i) Landlord is hereby authorized by Tenant to decorate or to make any repairs, changes, alterations or additions in or to the Premises that may be necessary or convenient, at Tenant's expense, (ii) Tenant shall be responsible for Rent for the period that the Premises are vacant and for all costs of re-letting, including, without limitation, brokerage commissions and attorneys' fees, and (iii) Tenant shall be liable for any deficiency of such rental below the total Rent and all other payments herein provided for the unexpired balance of the Term (or any extension or renewal thereof).
24. **SECURITY DEPOSIT**: The Security Deposit set forth in **Paragraph 1**, if any, shall secure the performance of the Tenant's obligations hereunder. Landlord may, but shall not be obligated to, apply all or portions of the Security Deposit on account of Tenant's obligations hereunder. In the event that Landlord applies all or a portion of the Security Deposit to Tenant's obligations hereunder, Tenant shall be obligated, within **10 days** after receipt of notice from Landlord, to deposit cash with Landlord in an amount sufficient to restore the Security Deposit to the full amount stated in **Paragraph 1** above. Failure to deposit such cash shall be a default under this Lease. Provided Tenant is not in default, any balance remaining upon termination shall be returned to Tenant within sixty (60) days after termination of the lease or surrender and acceptance of the Premises by Landlord, whichever occurs last. Tenant shall not have the right to apply the Security Deposit in payment of the last month's Rent. No interest shall be paid by Landlord on the Security Deposit. In the event of a sale of the Project, Landlord shall have the right to transfer the Security Deposit to the purchaser; upon such transfer Landlord shall have no further liability with respect thereto, and Tenant shall look solely to such purchaser for the return of the Security Deposit. Landlord shall not be required to keep the Security Deposit in a segregated account, and the Security Deposit may be commingled with other funds of Landlord.

25. **LIEN FOR RENT:** ~~Intentionally deleted. Tenant hereby grants to Landlord a lien and security interest on all furnishings, equipment, fixtures, inventory, accounts receivable, licenses and other personal property of any kind of Tenant now or hereafter placed in or upon the Premises, and such property shall be and remain subject to such lien and security interest of Landlord for payment of all Rent and other sums to be paid by Tenant herein. The provisions of this Paragraph relating to such lien and security interest shall constitute a security agreement under and subject to the laws of the State in which the Project is located so that Landlord shall have and may enforce a security interest on all property of Tenant now or hereafter placed in or on the Premises, in addition to and cumulative of the Landlord's liens and rights provided by law or by the other terms and provisions of this Lease. Notwithstanding anything contained herein to the contrary, Landlord's lien rights granted hereunder shall automatically be subordinate to the rights of any equipment or personal property lessor with respect to the equipment or personal property leased by it to Tenant. Tenant shall execute as debtor such financing statement or statements and other documents as Landlord may now or hereafter request. Landlord may at its election at any time file a copy of this Lease as a financing statement. Notwithstanding the above, Landlord shall neither sell nor withhold from Tenant, Tenant's business records and Landlord's lien rights shall not apply with respect to any property that is leased to Tenant.~~
26. **LIMITATION ON LANDLORD'S PERSONAL LIABILITY:** Tenant specifically agrees to look solely to Landlord's interest in the Project for the recovery of any judgment from Landlord, it being agreed that Landlord (and any officers, shareholders, partners, members, managers, directors, employees, affiliates, subsidiaries or parents of Landlord) shall never be personally liable for any such judgment. Landlord shall have the right to transfer and assign, in whole or in part, all its rights and obligations hereunder and in the Project, Building and/or Premises, and in such event and upon such transfer, Landlord shall be released from any further obligations hereunder **accruing or arising after such transfer**, and Tenant shall look solely to such successor in interest of Landlord for the **future** performance of such obligations.
27. **ATTORNEYS' FEES:** In the event there is any legal action or proceeding between Landlord and Tenant to enforce any provision of this Lease or to protect or establish any right or remedy of either Landlord or Tenant hereunder, the unsuccessful party to such action or proceeding shall pay to the prevailing party all costs and expenses, including reasonable attorneys' fees (including allocated costs of Landlord's in-house attorney), incurred by such prevailing party in such action or proceeding and in any appearance in connection therewith, and if such prevailing party recovers a judgment in any such action, proceeding or appeal, such costs, expenses and attorneys' fees shall be determined by the court handling the proceeding and shall be included in and as a part of such judgment.
28. **WAIVER:** No failure of ~~Landlord~~ **either party** to enforce any term hereof shall be deemed to be a waiver. The failure of ~~Landlord~~ **either party** to insist at any time upon the strict performance of any covenant or agreement contained herein or to exercise any option, right, power, or remedy contained in this Lease shall not be construed as a waiver or a relinquishment thereof for the future. **Additionally, no** ~~No~~ payment by Tenant or receipt by Landlord of a lesser amount than the applicable Rent payment due under this Lease shall be deemed to be other than on account of the earliest Rent due hereunder, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as Rent be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such Rent or pursue any other remedy provided in this Lease.
29. **SEVERABILITY:** If any clause or provision of this Lease is illegal, invalid or unenforceable under present or future laws effective during the Term (and any extension or renewal thereof), then it is the intention of the parties hereto that the remainder of this Lease shall not be affected thereby, and it is also the intention of both parties that in lieu of each clause or provision that is illegal, invalid or unenforceable, there shall be added as a part of this Lease, a clause or provision as similar in terms to such illegal, invalid or unenforceable clause or provision as may be possible and be legal, valid and enforceable.
30. **NOTICES:** All notices or other communications required or permitted hereunder must be in writing, and shall be (i) personally delivered (including by means of professional messenger service), (ii) delivered via electronic mail or transmitted by facsimile (which sender's facsimile machine indicates has been sent), (iii) sent by overnight courier, with request for next Business Day delivery, or (iv) sent by registered or certified U.S. mail, postage prepaid, return receipt requested, to the addresses set forth in **Paragraph 1**. Written notices so delivered, transmitted, sent or mailed shall be effective on the earlier of (w) actual delivery, (x) the date of transmission, if by email sent on or before 5:00 p.m. local time of the receiver or the next Business Day if sent after 5:00 p.m. local time of the receiver **provided the same notice is delivered by overnight courier for delivery by on the next Business Day**, (y) the first Business Day following the date of timely deposit with a nationally recognized overnight courier, or (z) the third Business Day following the date of deposit with the United States Post Office or in a regularly maintained receptacle for the deposit of United States Mail. Any refusal

to accept delivery of any such communication shall be considered successful delivery thereof on the date of such refusal.

31. **HOLDING OVER:** Any holding over after the expiration or termination of this Lease shall be construed as a month-to-month tenancy at a rental of **one and one-half times** ~~twice~~ the Base Rent and Operating Expense Rent for the month preceding the month in which the expiration or termination occurred. In the event Tenant shall be or become a holdover tenant, Tenant shall also indemnify Landlord against all claims for damages against Landlord as a result of Tenant's possession of the Premises, including, without limitation, claims for damages by any tenant to whom Landlord may have leased the Premises, or any portion thereof, for a term commencing after the expiration or termination of this Lease.
32. **TIME:** Time is of the essence with respect to the obligations of any party under this Lease.
33. **HEIRS, ASSIGNS, SUCCESSORS:** This Lease is binding upon and inures to the benefit of the assigns and successors in interest of Landlord and is binding upon and inures to the benefit of Tenant and Tenant's heirs and successors and, to the extent assignment may be approved by Landlord hereunder, Tenant's assigns.
34. **SUBORDINATION:** This Lease is and shall always be subject and subordinate to the lien of any mortgages that are now or shall at any future time be placed upon the Project, the Premises or Landlord's rights hereunder, and to any renewals, extensions, modifications or consolidations of any such mortgage. This clause shall be self-operative and no further instrument of subordination need be required by any mortgagee. In confirmation of such subordination, however, Tenant, at Landlord's request, shall execute promptly any appropriate certificate or instrument that Landlord may reasonably request. **Landlord shall use commercially reasonable efforts to obtain, at Tenant's cost, a subordination, non-disturbance and attornment agreement from Landlord's lender as of the Effective Date.**
35. **ESTOPPEL CERTIFICATE:** Tenant shall at any time upon not less than **5 days** prior written notice from Landlord execute, acknowledge and deliver to Landlord a statement in writing: (i) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect), the amount of any security deposit, and the date to which the Rent and other charges are paid in advance, if any; and (ii) acknowledging that there are not, to Tenant's knowledge, any uncured defaults on the part of Landlord hereunder, or specifying such defaults if any are claimed. Any such statement may be conclusively relied upon by a prospective purchaser or encumbrancer of the Premises.
- At Landlord's option, Tenant's failure to deliver such statement within such time shall be conclusive upon Tenant: (i) that this Lease is in full force and effect, without modification, except as may be represented by Landlord; (ii) that there are no uncured defaults in Landlord's performance; and (iii) that not more than one month's Rent has been paid in advance.
36. **FINANCIAL STATEMENTS:** Tenant shall furnish Landlord, within **10 business days** after Landlord's request therefor, its most recent financial statement of Tenant and any guarantors of this Lease. Unless: (i) Landlord has reason to believe there has been a material reduction in the financial worth of any of such parties; or (ii) requested by any current or proposed lender, investor or purchaser of Landlord or the Building, such financial statement(s) shall not be required to be furnished more than ~~twice~~ **once** each calendar year. If Tenant is a publicly traded company and Tenant's financial information is publicly available, this provision shall be deemed complied with by Tenant.

37. REPRESENTATIONS; AUTHORITY:

- 37.1. Tenant. Tenant represents and warrants that: (i) there are no proceedings pending or, to the knowledge of Tenant, threatened before any court or administrative agency that would materially adversely affect the ability of Tenant to enter into this Lease or the validity or enforceability of this Lease; (ii) there is no provision of any existing mortgage, indenture, contract or agreement binding on Tenant that would conflict with or in any way prevent the execution, delivery or performance of the terms of this Lease; (iii) if Tenant is a corporation, limited liability company, partnership or other legal entity, the person executing this Lease on behalf of Tenant represent and warrant that this Lease has been authorized and approved by the appropriate officers, members, managers, partners, beneficiaries, shareholders or other beneficial owner(s) of Tenant as may be required by law; (iv) Tenant is in good standing, and qualified to do business in the state in which the Project is located; (v) Tenant has full right, power and lawful authority to execute, deliver and perform its obligations under this Lease, in the manner and upon the terms contained herein, with no other person needing to join in the execution hereof in order for this Lease to be binding on Tenant; and (vi) the financial information provided by Tenant to Landlord

materially and accurately depicts the financial condition of Tenant as of the Effective Date of this Lease.

- 37.2. Landlord. Landlord represents and warrants to Tenant that Landlord has full right, power and lawful authority to execute, deliver and perform its obligations under this Lease, in the manner and upon the terms contained herein, and to grant the estate herein demised.
38. **JOINT AND SEVERAL LIABILITY:** In the event that more than one person or entity executes this Lease as Tenant, all such persons and entities shall be jointly and severally liable for all of Tenant's obligations hereunder.
39. **FORCE MAJEURE:** Landlord and Tenant shall each be excused for the period of any delay in the performance of any obligations hereunder when prevented from doing so by cause or causes beyond Landlord's or Tenant's respective absolute control, which shall include, without limitation, all labor disputes, civil commotion, civil disorder, riot, civil disturbance, war, war-like operations, invasion, terrorism, rebellion, hostilities, military or usurped power, sabotage, governmental regulations, orders, moratoriums or controls, fire or other casualty, inability to obtain any material, services or financing or Acts of God; **provided however, the foregoing shall in no way relieve Tenant from its obligation to pay Base Rent, Operating Expense Rent or additional rent.**
40. **RECORDING:** Tenant shall not record this Lease, or any memorandum or short form thereof, without the prior written consent and joinder of Landlord, which consent Landlord may withhold or condition in its sole discretion.
41. **BROKERS:** Landlord and Tenant each represent and warrant one to the other that except for the Brokers set forth in **Paragraph 1**, neither of them has employed any broker in connection with the negotiations of the terms of this Lease or the execution thereof. Landlord and Tenant hereby agree to indemnify and to hold each other harmless against any loss, expense or liability with respect to any claims for commissions, finder's fees or brokerage fees arising from or out of any breach of the foregoing representation and warranty. Landlord shall be responsible for paying any commission due to landlord's Broker in connection with this transaction pursuant to a separate written agreement between them. **Landlord shall be responsible for any payment due to Tenant's broker pursuant to a separate written agreement between Landlord and Tenant's broker.**
42. **ENTIRE AGREEMENT:** This Lease, together with any and all exhibits, schedules and addendums attached hereto, constitutes the entire agreement between the parties and may be modified only by a writing signed by both parties.
43. **GOVERNING LAW:** This Lease shall be construed in accordance with the laws of the State in which the Project is located.
44. **EFFECT OF DELIVERY OF THIS LEASE: LANDLORD HAS DELIVERED A COPY OF THIS LEASE TO TENANT FOR TENANT'S REVIEW ONLY, AND THE DELIVERY HEREOF DOES NOT CONSTITUTE AN OFFER TO TENANT OR OPTION TO LEASE. THIS LEASE SHALL NOT BE EFFECTIVE UNTIL A FULLY EXECUTED COPY OF THIS LEASE HAS BEEN DELIVERED TO BOTH LANDLORD AND TENANT.**
45. **WAIVER OF THE RIGHT TO TRIAL BY JURY: LANDLORD AND TENANT HEREBY KNOWINGLY AND INTENTIONALLY WAIVE THE RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING THAT LANDLORD OR TENANT MAY HEREINAFTER INSTITUTE AGAINST EACH OTHER WITH RESPECT TO ANY MATTER ARISING OUT OF OR RELATED TO THIS LEASE OR THE LEASED PREMISES WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE.**
46. **BANKRUPTCY:** Landlord and Tenant understand that, notwithstanding certain provisions to the contrary contained herein, a trustee or debtor in possession under the bankruptcy code may have certain rights to assume or assign this Lease. Landlord and Tenant further understand that, in any event, Landlord is entitled under the bankruptcy code to adequate assurances of future performance of the provisions of this Lease. The parties agree that, with respect to any such assumption or assignment, the term "**adequate assurance**" shall include at least the following:
- a) In order to assure Landlord that the proposed assignees will have the resources with which to pay all Base Rent, Operating Expense Rent, additional Rent or other sum payable by Tenant pursuant to the provisions of this Lease, any proposed assignee must have, as demonstrated to Landlord's satisfaction, a net worth (as defined in accordance with generally accepted accounting principles consistently applied) of not less than the net worth of Tenant or any guarantor (whichever is greater) on the date this Lease became effective, increased by 7.0%, compounded annually, for each year

from the Commencement Date through the date of the proposed assignment. It is understood and agreed that the financial condition and resources of Tenant were a material inducement to Landlord in entering into this Lease.

- b) Any proposed assignee must have been engaged in the conduct of business for the 5 years prior to any such proposed assignment, which business does not violate the Permitted Use, and such proposed assignee shall continue to engage in the Permitted Use and shall not cause Landlord to be in violation or breach of any provision in any other lease, financing agreement, operating agreement or other agreement relating to the Project. It is understood and agreed that Landlord's asset will be substantially impaired if the trustee in bankruptcy or any assignee of this Lease makes any use of the Premises other than the Permitted Use.
- c) Any proposed assignee of this Lease must assume and agree to be personally bound by the provisions of this Lease.

47. **SURVIVAL:** Anything contained in this Lease to the contrary notwithstanding, the expiration or termination of the Term (or any extension or renewal thereof), whether by lapse of time or otherwise, shall not relieve ~~any party Tenant from Tenant's~~ that party's obligations accruing prior to the expiration or termination of the Term (and any extension or renewal thereof), all of which shall survive the same, whether or not same is expressly stated in the particular paragraph of this Lease, including, without limitation, Tenant's obligations with respect to: (i) the payment of Rent, (ii) any provisions of this Lease with respect to indemnities ~~of Landlord made by Tenant~~; and (iii) the removal of all property of Tenant required to be removed hereunder and the repair of all damage to the Premises caused by such removal at the expiration or termination of this Lease to the extent required hereunder.

48. **COUNTERPARTS:** This Lease may be executed in any number of counterparts, which when taken together shall constitute one complete document.

49. **TELECOM:** Tenant understands and agrees that Landlord expressly reserves the right to grant or deny access (to the Building or any portion thereof, including without limitation, any tenant's premises) to any telecommunications service provider whatsoever, and that Tenant shall not have the right to demand or require Landlord to grant such access to any such telecommunications service provider. Further, Tenant expressly understands and agrees that notwithstanding anything to the contrary contained herein, Tenant shall not have the right to use the risers, raceways, conduits, or mechanical rooms in the Building for telecom purposes without Landlord's express written consent, which consent Landlord may withhold or condition in its sole discretion.

50. **CONFIDENTIALITY:** Tenant agrees, on behalf of Tenant, Guarantor (if any) and Tenant's employees, agents, contractors, consultants, partners, affiliates, assignees and subtenants, not to disclose the terms of this Lease or the results of any audit of Landlord's books and records under this Lease to any third party except (i) legal counsel to Tenant, (ii) any assignee of Tenant's interest in this Lease or any subtenant of Tenant relative to the Premises (or any portion thereof), (iii) as required by applicable law or by subpoena or other similar legal process, (iv) **as may be required by any local, state or federal disclosure rule, regulation or law applicable to Tenant from time to time, including but not limited to "Sunshine Laws", Freedom of Information Act Requests, or in required disclosures under the Internal Revenue Laws of the United States applicable to tax-exempt organizations,** or (v) for financial reporting purposes. Tenant further acknowledges and agrees that any breach of the foregoing covenants and agreements by either Tenant or Guarantor shall be deemed to be a material default under this Lease and agrees that Landlord would be irreparably damaged and cannot be made whole by monetary damages in the event of any breach by Tenant or Guarantor of these covenants and agreements. Accordingly, in the event of any such breach, Landlord shall be entitled without the requirement of posting a bond or other security, to injunctive relief, specific performance or other remedies to which Landlord would be entitled at law or in equity, including but not limited to, immediately terminating this Lease or Tenant's right to any of the rental concessions set forth herein, all of which shall be null and void and of no further force or effect. In such event, Tenant shall be required to immediately pay to Landlord, as liquidated damages and not as a penalty, the total sum of any free Rent or Rent reductions, as well as any other amounts then due and owing under this Lease. It is expressly agreed that such payment to which Landlord may be entitled under this provision is a reasonable forecast of just compensation for the harm that would be caused by Tenant's or Guarantor's failure to comply with this confidentiality provision and that the harm that would be caused by such breach is one that is incapable or very difficult to accurately estimate.

51. **DAYS:** Unless otherwise specifically indicated to the contrary, the word "days" as used in this Lease shall mean and refer to calendar days. The words "business day(s)" mean any day other than Saturday, Sunday or a holiday recognized by the State in which the Building is located.

52. **OFAC REPRESENTATION:** For purposes hereof, "List" shall mean the Specially Designated Nationals and Blocked Persons List maintained by OFAC and/or on any other similar list maintained by OFAC pursuant to any authorizing statute, executive order or regulation, and "OFAC" shall mean the Office of Foreign Assets Control, Department of the Treasury. Each party represents and warrants to the other that (i) each Person owning a 10% or greater interest in such party is (A) not currently identified on the List, and (B) is not a person with whom a citizen of the United States is prohibited to engage in transactions by any trade embargo, economic sanction, or other prohibition of United States law, regulation, or Executive Order of the President of the United States and (ii) each party has implemented procedures, and shall consistently apply those procedures, to ensure the foregoing representations and warranties remain true and correct at all times. Each party shall comply with all requirements of law relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect and shall use reasonable efforts to notify the other in writing if any of the foregoing representations, warranties or covenants are no longer true or have been breached or if such party has a reasonable basis to believe that they may no longer be true or have been breached. In addition, at the request of a party, the other party shall provide such information as may be reasonably requested by the requesting party to determine the other party's compliance with the terms hereof.
53. **ACCESS.** Tenant shall have access to the Premises 24 hours per day, seven days per week.
54. **LANDLORD'S EVENTS OF DEFAULT:** If Landlord fails to pay any other sum or charge payable by Landlord hereunder, or Landlord fails to take any action required by Landlord to be taken under this lease (including but not limited to repair of the Common Areas or any portion of the Premises damaged by Landlord) with respect to the Project or Premises, and such failure continues for more than 30 days after Tenant gives written notice thereof to Landlord or if the default cannot be reasonably cured within said 30 day period and Landlord fails promptly to commence with due diligence and dispatch the curing of such default within said 30 day period or, having so commenced, thereafter fails to prosecute or complete with due diligence and dispatch the curing of such default if not capable of cure within such 30 day period), then Tenant, at its option, with ten (10) days prior notice to Landlord and Landlord's failure to thereafter effect a cure or commence such cure within said 10 day period, shall have the right to exercise any one or more of the following described remedies: (i) to cure such default for the account of Landlord, and Landlord shall or (ii) to pursue the remedy of specific performance. In addition, Tenant shall be entitled at its election, to exercise concurrently or successively, any one or more of the rights or remedies at law or in equity provided hereunder or under the laws of the United States or the State where the Premises are located for Landlord's default.

Such amounts shall be deemed additional rental payable hereunder for all purposes of this Lease.

Construction of the Improvements will be completed in a good and workmanlike manner, and in accordance with the Space Plan and Working Drawings (as revised, if applicable). Landlord shall promptly notify Tenant in writing of the substantial completion of construction of the Improvements.

Tenant agrees that in the event Tenant shall (i) make any changes in the Working Drawings or work or improvements required thereby (notwithstanding Landlord's approval of such changes), or (ii) directly or indirectly through any person, firm or corporation employed by Tenant, unreasonably interfere with or **unreasonably** delay the work of Landlord's contractor, or (iii) delay in making **any** payment to Landlord any cost in excess of the allowance, or (iv) request materials, finishes, or installations which require a longer delivery time or construction period than normal office improvements would require and which were not specified and authorized by Tenant in time to be timely received and installed so as to timely permit subsequent construction, or (v) cause any delay in Landlord's completion of the Premises through any fault or negligence of Tenant or its agents, thereby delaying Landlord's tendering of possession of the Premises, or Tenant's occupancy of the Premises, beyond the date which would have been the Rent Commencement Date of this Lease but for such changes or delays, then Tenant shall commence payment of all rentals provided for herein on the date which would have been the Rent Commencement Date of this Lease, but for such changes or delays, and such date shall be the Rent Commencement Date of this Lease for all purposes.

Tenant shall be entitled to enter the Premises from time to time during the course of construction as may be reasonably necessary for Tenant's space planning or inspection purposes, or for the installation by Tenant of its fixtures or equipment provided (i) Tenant notifies Landlord in advance of such proposed entry and coordinates such entry so as to be accompanied by Landlord or Landlord's Representative, (ii) Tenant does not hinder or interfere with construction of the Premises or the activities of Landlord's contractors, and (iii) Tenant takes such reasonable protective precautions or measures for Landlord and/or Tenant as Landlord may reasonably request, given the stage of construction of the Building and/or the Premises at the time of such entry, including (if appropriate) execution of releases from liability for Landlord or Landlord's contractors from injuries sustained by Tenant in the Building during such entry.

At any time after substantial completion of the construction of the Premises and prior to Tenant's installation of its fixtures, equipment and furnishings in the Premises, Tenant may inspect (with Landlord) the Premises and furnish to Landlord a "punch list" of errors (if any) and omissions (if any) in the construction of the Premises known to Tenant to exist. Any disputes between Landlord and Tenant concerning any punch list item not resolved by Landlord and Tenant shall be decided by the Architect preparing the Working Drawings, and any such decision shall be binding on Landlord and Tenant. Upon receipt of the punch list, Landlord shall promptly correct (or cause the contractor to correct) such errors and omissions. A failure by Tenant to include on the punch list any error or omission reasonably apparent upon reasonable inspection and inquiry shall constitute a waiver and release by Tenant of any claim or cause of action for damages from Landlord resulting from such error or omission. Except for punch list items which materially interfere with Tenant's ability to operate its business on and from the Premises, the existence of the punch list (and completion of the items listed thereon) shall not delay commencement of the term of this Lease nor affect Tenant's obligation to occupy the Premises and to pay rentals in accordance with the provisions of this Lease.
